Dr. C. E. Brehm, President

Dear Dr. Brehm:

I want to express my appreciation to you for taking time to attend the call meeting of the State Board of Education on Wednesday, June 15.

I realized that it was difficult for you to be away from your work and I hesitated to ask you to come for such a short meeting. However, the nature of the matter that was under consideration is of such vital importance to our State that I felt the Board would like to have the benefit of your thinking. It also affords you an opportunity to be in position to discuss with members of your organization the procedure that was used in arriving at the decision that was made.

May I again thank you for your cooperation.

Sincerely yours,

Quill E. Cope, Chairman
State Board of Education
