COLLEGE KICKS OFF HEALTH CARE DESIGN LECTURE SERIES NEXT WEEK

The College of Architecture and Design kicks off its newest lecture series, Designing Environments for Health, next week. The semester-long lecture series will explore the connection between health and the built environment in the design of health-related facilities and the design of our communities. The series begins at 5:30 p.m. EST Wednesday, Feb. 3, with a videoconference by Richard Jackson, chair of environmental health sciences at UCLA.

ROBERT B. CHURCH III LECTURE SERIES BEGINS NEXT MONTH

The College of Architecture and Design has invited several nationally and internationally prominent architects, designers, historians and theorists to present their work as part of the Robert B. Church III Memorial Lecture Series this semester. The series kicks off Monday, Feb. 15, with Dan Hoffman, principal at STUDIO MA in Phoenix. His lecture, "Green Desert: The Work of STUDIO MA," will explore the projects of the architecture and environmental practice.

EDGAR STACH NAMED A UT COX PROFESSOR

Architecture associate professor Edgar Stach has been named a UT Knoxville James R. Cox Professor. Stach was one of two Cox Professors this year, along with theater professor Bill Black. The professorships are given to faculty who are outstanding teachers, who dedicate their service to the university, community and their profession, and who demonstrate excellence in scholarship. Each professorship lasts three years and includes a stipend.

ARCHITECTURE ANNOUNCES NEW ADVANCED MASTERS DEGREE AND CERTIFICATES

It just got a little easier for design professionals and students to deepen their design skills or pursue focused research in architecture. The School of Architecture now offers a 36-credit post-professional master of architecture degree for those already holding a bachelor or master of architecture professional degree. In addition, the program has established two new 12-hour graduate certificates in sustainable design and urban design.
