332 University Center

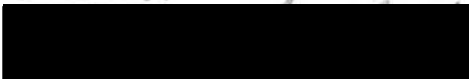

Dear Ms. Hild:

Several people in our office received the February 1983 issue of Networker. I found it well written with both useful and interesting information.

In the MTAS Library we devote a small amount of our collection to University publications such as catalogs and class schedules for use by staff members. I would like to also start a file of Networker issues to keep on hand for use by the staff and am very interested in receiving subsequent issues. Also, a copy of the first issue would provide us with a complete run in this title.

Thanks for including us in the mailing of the newsletter.

Sincerely,

Carol C. Hewlett
