The University of Tennessee Health Science Center
62 South Dunlap
Hyman Building, Suite 226

Dear Chancellor Schwab:

The following action regarding your institution was taken by the Board of Trustees of the Southern Association of Colleges and Schools Commission on Colleges during its meeting held on June 11, 2015:

The SACSCOC Board of Trustees awarded initial separate accreditation at Level VI with the Southern Association of Colleges and Schools Commission on Colleges and approval of an exception to Core Requirement 2.7.4 (Course work for degrees). Separate accreditation is retroactive to January 1, 2015. The institution will be required to complete a Compliance Certification and a Quality Enhancement Plan and to receive a Committee in anticipation of reaffirmation of accreditation in 2020.

On behalf of the member institutions that make up SACS Commission on Colleges, I welcome you and look forward to your involvement in this very important self-regulatory process. If you have any questions, please contact Dr. Steven M. Sheeley, the staff member currently assigned to your institution.

Sincerely,

Belle S. Wheelan, Ph.D.
President
