To whom it may concern:

About three years ago,  
I attended a lecture on *Heredity*  
by Dr. Schaeffer, in which  
it is claimed that he made  
the statement that he believed  
in double standard of morals.

I wish to state that  
Dr. Schaeffer did not make  
such a statement as this,  
nor did he say anything that  
could be construed in such a  
way.

July 18, 1916.

Ruby Franklin.
