July 12, 1916.

TO WHOM IT MAY CONCERN:

This is to certify that I attended the lecture "Heredity in Relation to Vice" given by Dr. A. A. Schaeffer to a body of women and others about three years ago and can state most positively that there was nothing said in the course of his discussion relative to his belief in a double standard of morals.

Dr. Ayres.

Mr. Hubbard was not present
at that lecture. I cannot recall
who it was that operated the lantern
for me - A.A. Schaffer.
