Dear Madam:

I send you a bill which was sent me by mistake for The American Journal of Hygiene, which I suppose your library has been receiving since I left the University last August.

Yours truly

Wm L. Holt M.D.

P.S. Perhaps I should explain that I was Director of the Dep't of Hygiene from 1920 to 1922 but was dismissed because I was a Unitarian and some rich bigoted Baptist declared he would not subscribe to the Y.M.C.A. on the Hill while there were so many Unitarians on the faculty. Now I hear that Prof. Sprowls has been dismissed in the middle of the year because he committed the crime of writing a book endorsing Evolution. God pity poor old U. of T., if she has really come to that. Nothing would induce me to send my boy there.
