Jackson, Tennessee,

April 28th, 1923.

Dr. H.A. Morgan, President and The Administration,
University of Tennessee,
Knoxville, Tennessee.

Dear Dr. Morgan:

The following alumni of West Tennessee have noted in the press the recent disturbance among the present student body on the hill.

We take this means of expressing our full confidence in you and your ability to administer the affairs of our Greater University. We feel that the present high stage and state of advancement of our State University is due largely to the untiring efforts and good judgement of the present administration, and deprecate any efforts of a small minority of radical students to create a furor at this time.

Assuring you of our fullest co-operation in any thing that we can do to further the advancement of our Alma Mater, we are

Loyally yours,

H.A. Powers
R. E. Powers
Roy E. Beebe
Judd Brooks,
W.M. Landless
A. Walton Lutz
Burns Larnage

Have not had time to see
all alumni in town. This
crowd just happened to be
talking together at the Hotel the
other night. R.E.B.
