THE UNIVERSITY of TENNESSEE KNOXVILLE

August 25, 2014

At the University of Tennessee, Knoxville, diversity and inclusion are core values and are central to our mission as a land-grant university. Our campus is composed of students, faculty, and staff who come from a variety of backgrounds and experiences.

The diversity of views, expressions, and experiences enriches our campus community and contributes to our goals for becoming a Top 25 public research university.

We invite you to learn more about our Principles for Civility and Community. All who learn, study, live, and work in the UT community are asked to commit to these principles. Each of us plays a role in creating and sustaining an inclusive campus community.

You can join us in advancing diversity and inclusion by participating in the many efforts under way. To learn more about diversity programs and initiatives, go to utk.edu/diversity.
