Dear Dr. Albrecht:

Thank you for your letter of June 29, 2017, requesting withdrawal of plans to offer the Professional M.B.A. program at a new off-site location.

At the time of the submission of the prospectus dated June 22, 2016, for approval of the site, off-campus site locations were being considered in the Brentwood/Cool Springs/Franklin, TN, areas. The University was requested in our letter dated December 12, 2016, to provide additional information concerning the offering of the approved program at a new site.

The University has placed plans on hold for the foreseeable future concerning offering the program at a new off-campus site and wishes to withdraw the prospectus for approval of a new off-campus site.

We accept notification of withdrawal of the prospectus for a new off-campus site where the Professional M.B.A. program was to be offered.

Best regards,

Kevin W. Sightler, Ph.D.
Director of Substantive Change
