

site

objects vs spacemaking

“towers in the park” with no clear heirarchy of spaces
dense housing with little/no amenity programs [as is currently]
Chuck Buttons “Prairie Shores,” 1963

context

neighborhood

surrounding neighborhood - Douglas
proximity to downtown

current conditions

demolished site, few remaining buildings
exposed transportation lines and truck marshalling yard

barrier

view north to downtown with McCormick as barrier

current conditions

view south towards Lake Meadows and south Chicago
Prairie Shores [1961] apartments highlighted

infrastructure

Lake Shore Drive to east of site
wide infrastructural paths

barrier

McCormick Center as barrier - 120 acres, 1/2 mile depth
missing paths between neighborhoods

isolation

Lake Meadows apartments
“towers in the park” - divorced objects in an empty field
