

Precedent Studies

Fair Lakes

Fairfax, Virginia, USA

Metro Area: Washington

Project Type: Mixed-Use—Three Uses or More

Land Use(s): Mixed-Use District, Office, Fitness Center, Apartments, Hotel, Multifamily Housing, Business Park, Office, Research and Development, Retail, Hotel, Recreation Facility, Open Space

Site Size: 6570 acres

Location Type: Outer Suburban

Keywords: Public/Private Partnership

Project Summary

A 657-acre, multiuse planned development that at build out will contain over 5 million square feet of office and research space with supporting residential, retail, hotel, and recreation uses. Building is occurring through land sales, build-to-suit, and speculative development programs. With an estimated completion date of 1995, Fair Lakes exemplifies the type of negotiated public/private agreements now common to long-term projects.

The Development Team

Developer(s)
Hazel/Peterson Companies

Designer(s)
Davis & Carter
