

**The University of Tennessee, Knoxville
Undergraduate Council
Minutes of the Meeting
September 30, 2025**

Leadership and Elected Members present: Chair Manolis Doxastakis, Past Chair Dawn Coleman, Vice Chair Jon Ring, Ashlee Anderson, Justin Arft, Vasabjit Banerjee (by proxy Carolyn Holmes), Quinten Bernhold, Andy Busch, Vermont Dia, Nicole Eggers (by proxy Justin Arft), Julie Ferrara, William Hardwig, Qiang He, Anneke Janzen, Yolanda Kirkpatrick (by proxy Laura Brown), Brian LaRose, Geoffrey Lea (by proxy Andy Busch), Nicole McFarlane, Kimberly Mitchell (by proxy Katherine Ambroziak), Ryan Mokhtari, Gary Null, Mustafa Oz, Ashley Pennell, Cindy Raines, Kimberly Roberts, Alex Scott, Alice Stewart, and Jason Strickling (by proxy George Drinnon)

Ex-Officio Members present: Patrick Akos, Katherine Ambroziak, Pamela Angelle, George Drinnon, Beth Foster, Julie Longmire, Brendan McConville, Anna Sandelli, John Stier, Liem Tran, and Michelle Violanti

Student Members present: Griffin Eaker and Louie Perry

Others present: Laura Brown, Ashley Browning, Lisa Byrd (represented by Mike Taylor), Brian Coldren, Alison Connor, Cat Cox, Ross D'Aveni, Brian Francis, Miranda McAfee, Lori Mitchell, and Shanna Pendergrast

Welcome and Call to order: The meeting was called to order by Manolis Doxastakis, Chair, when quorum was determined at 2:30 pm.

Committee Reports and Approvals (see attachments for details):

Volunteer Core Committee

The committee presented minutes from the September 3, 2025 meeting.

5 courses were approved for Vol Core.

Curriculum Committee

The committee presented minutes from the September 16, 2025 meeting.

All curricular proposals were approved.

Informational Items: Four informational items were presented.

1. One item shared the annual update to the *Admission to the University* section of the Undergraduate Catalog to reflect current business practices, organizational structures, etc.
2. One high impact informational item was shared from TCE describing the BSE degree designation to match THEC approval.
3. One informational item described updates to the Haslam College of Business main page.

4. One informational item described changes to the Undergraduate Admissions Prior Learning Credits page.

Adjournment: Manolis Doxastakis adjourned the meeting at 2:41 pm.

Approval of minutes: These minutes were certified correct via email on October 3, 2025.

Report

**The University of Tennessee, Knoxville
Undergraduate Curriculum Committee
Minutes of the Meeting
September 16, 2025**

Call to order: A regular meeting of the Undergraduate Curriculum Committee was held on September 16, 2025. The meeting was called to order by Nicole McFarlane, Chair, when quorum was met at 2:31 pm.

Voting members present: Chair Nicole McFarlane, Quinten Bernhold, Andy Busch, Vermont Dia, Anneke Janzen, Geoffrey Lea, Julie Longmire, Eric Lukosi, Robert Mindrup, Kimberly Mitchell, Ashley Pennell, Kimberly Roberts, Liem Tran, Josh Weinhandl, Kathryn Zirkle

Others present: Pat Akos, Katherine Ambroziak, Pamela Angelle, Laura Brown, Ashley Browning, Brian Coldren, Alison Connor, Cat Cox, Manolis Doxastakis, George Drinnon, Ross D'Aveni, Beth Foster, Brian Francis, Betsy Gullett, Jake Haramule, Meredith Malburne-Wade, Brendan McConville, Lori Mitchell, Jon Ring, Lisa Slaton, John Stier, Elis Villasi, Merrill Walker

Proposals:

1. Four correction proposals from TCE. All were approved.
2. Twenty-four correction proposals from CECS. All were approved.
3. Four correction proposals and six course proposals were submitted from University Honors. All were approved.
4. Two correction proposals from HCB. Both were approved.
5. Two correction proposals from CEHHS. Both were approved.
6. Six correction proposals from HCA. All were approved.
7. Three correction proposals from CCI. All were approved.
8. Five correction proposals from CAS. All were approved.
9. Two course proposals and one new subject code proposal were submitted from Intercollegiate. All were approved.

Informational Items:

- One high impact informational item was shared from TCE describing the BSE degree designation to match THEC approval.
- One mid impact informational item was shared from CAS describing the department name change from Department of Psychology to Department of Psychology and Neuroscience.
- One informational item described changes to the Undergraduate Admissions Prior Learning Credits page.

Adjournment: The meeting was adjourned at 2:56 pm.

Approval of minutes: The minutes were certified correct via email on September 22, 2025.

Report

The University of Tennessee, Knoxville
Volunteer Core Committee
Minutes of the Meeting
September 3, 2025

Call to order: A regular meeting of the Volunteer Core Committee was held via online meeting software on September 3, 2025. The meeting was called to order by Chair Michelle Violanti when quorum was met at 9:01 am.

Voting members present: Chair Michelle Violanti, Pamela Angelle, Justin Arft, Sarah Colby, Harry Dahms, Michael Danquah, Chase Darwin, Vermont Dia, George Drinnon, Nicole Eggers, Megan Fields, Martin Griffin, Jon Hess, Brian LaRose, Julie Longmire, Brendan McConville, Robert Mindrup, Phillip Moore, Sean Morey, Barbara Murphy (by proxy Chuck Collins), Lee Murphy, Anthony Nownes, Gary Null, James Patterson, John Stier, Jason Strickling, Liem Tran, Erin Whitaker, Greg Wright

Non-Voting Members Present: Alison Connor, Manolis Doxastakis, Beth Foster, Michael McFall, Shanna Pendergrast

Others present: Michael Berry, K'Cindra Cavin, Cat Cox, Betsy Gullett, Jake Haramule, Traci Harrison, Jonathan Hughes, Miranda McAfee, Jennifer Meunier, Lori Mitchell, and Merrill Walker

Update from the Chair

- Streamlining Processes
- Choosing a Chair-Elect by October 8 meeting
- Subcommittee Staffing
- Voting Items (must be substantive)

Voting Items - Course Approvals:

5 courses were approved for Vol Core.

Applied and Humanities (AH)

1. CHIN 130: Love and Sex in Chinese and Sinophone Cultures

Engaged Inquiries (EI)

1. ANTH 486: Introduction to Forensic Anthropology

Global Citizenship United States (GCUS)

1. MUCO 111: History of Country Music

Oral Communication (OC)

1. ENGL 142: Speaking of Sports

Written Communication (WC)

1. IE 201: Introduction to Industrial and Systems Engineering (approved for OC)

Adjournment: The meeting was adjourned at 9:59 am.

Approval of Minutes: These minutes were certified correct via email on September 8, 2025.

Minutes Submitted by: Miranda McAfee

Volunteer Core Meeting

Date: Wednesday, September 3, 2025 from 9:00 am to 10:00 am

Location: Zoom

Meeting Materials are in the Subcommittee folder on the VolCore OneDrive

Agenda

1. **Welcome and Update from the Associate Vice Provost for Academic Affairs**
2. **Update from the Chair**

- Streamlining Processes
- Choosing a Chair-Elect
- Subcommittee Staffing
- Voting Items (must be substantive)

3. **Voting Item: Changes to Approved VolCore Courses (none)**
4. **Course Approval: Applied Arts and Humanities (none)**
5. **Course Approval: Applied Oral Communication (none)**
6. **Course Approval: Arts and Humanities**

- CHIN 130: Love and Sex in Chinese and Sinophone Cultures

- ANTH 486: Introduction to Forensic Anthropology

8. Course Approval: Global Citizenship International (none)

9. Course Approval: Global Citizenship United States

- MUCO 111: History of Country Music

10. Course Approval: Oral Communication

- ENGL 142: Speaking of Sports

11. Course Approval: Quantitative Reasoning (none)

12. Course Approval: Social Sciences

13. Course Approval: Written Communication

- IE 201: Introduction to Industrial and Systems Engineering (approved for OC)

14. Information Item: Denied Courses (none)

15. Information Item: Withdrawn Courses (none)

16. Discussion Item: Chair-Elect

17. Next Meeting: Wednesday, October 8th

MCC Proposal Link*

<https://utk.curriculog.com/proposal:4942/form>

Important Note about this Form:

Please contact the CCM team (curriculum_help@utk.edu) before submitting this form.

Criteria/Threshold of Corrections past Cycle 4:

<https://utk.curriculog.com/proposal:3874/form>

Minimum program hours for a baccalaureate degree

SACSCOC requires a minimum of 120 semester hours for a baccalaureate degree and, if we discover a program with fewer hours, we (1) inform the college, (2) correct the catalog using the solution the department/college suggests which may be a free elective or a required course that was inadvertently left out or a new course to replace a dropped course or whatever else the department/college thinks is appropriate, and (3) document this correction at the next meeting of the UG Curriculum Committee.

Minimum Vol Core hours

Vol Core has specific requirements. If those requirements are not met in a program, we (1) inform the college, (2) correct the catalog using the solution the department/college suggests which may be changing a free elective to be a Vol Core course, or if course ABC 123 has been submitted to Vol Core but the committee has not yet made a decision about the course, then the correction might indicate to take "ABC 123 or a Vol Core elective" or "free elective or Vol Core elective" or other appropriate solution and (3) document this correction at the next meeting of the UG Curriculum Committee.

Rationale

This is to raise awareness of the processes that our offices have been following when immediate urgent corrections have been required in the active catalog. This does not apply to anything other than urgent corrections noted above. These typically show as low-impact corrections in the last meetings of the spring or the early meetings of the fall. For an example of how this looked in the past, see the attachment that was taken from TRACE minutes of UG Council minutes of meeting April 12, 2022

https://trace.tennessee.edu/cgi/viewcontent.cgi?article=1124&context=utk_undergradcouncil .

Details of Error(s)*

Missing minimum number of VolCore credit hours.

Five VolCore categories have issues:

1. WC - nothing in the current showcase has a WC designation.
2. OC - nothing in the current showcase has an OC designation.
3. AOC - nothing in the current showcase has an AOC designation.
4. NS - Missing a non-lab science. Program has EF 142 fulfilling the lab science but there isn't another NS designated course in the current curriculum.
5. EI - Missing 1 credit hour of EI. Has 8 credits with EF 141 and 142.

Information*

1. Term 7 and 8

1. Change AET 401 and 402 senior design (terms 7 and 8) to COSC 401 (term 7) and COSC 402 (term 8).

2. Term 6 add WC elective

1. Written Communication (WC) Elective **3 Credit Hours** *

3. Term 4 Add a note to the Expanded Perspectives elective

1. "must have EI Vol Core designation" *

Rationale This will cover WC, OC, and AOC requirements.

Note: Term 4 VolCore Expanded Perspectives must have an EI designation, so EI is already covered.

Note from Catalog admins:

1. Term 2 credit hours corrected from 16 to 17 (no change to courses)
2. Term 7 credit hours adjusted from 15 to 14
3. Total program credit hours set to 122

Details of Error(s)*

The DARS team identified the following error in this program that requires a correction:

"The Applied Artificial Intelligence programs all need footnote 2 corrected. EI requires 9 hours and not 6."

Information*

To address the EI error in footnote 2, please correct the following:

- In the Footnotes section, **REVISE** Footnote 2 to read as follows:
 - "2. Engaged Inquiries (EI) electives must total **9** credit hours from two or more subjects."

Rationale

CECS has been in contact with the Registrar's office regarding the process for submitting this correction proposal.

https://trace.tennessee.edu/cgi/viewcontent.cgi?article=1124&context=utk_undergradcouncil .

Details of Error(s)*

This proposal will correct three issues identified by the DARS team as noted below:

1. N/R/S course requirement does not align with current CECS course offerings.
2. The Vol Core requirements need to be revised.
3. Further clarification is needed to define CECS "Gateway Course" as listed in Term 4.

These changes will affect the term credit hours and total number of credit hours, so those corrections will also be addressed in item 4 below.

Information*

1. To address N/R/S course requirement error, please

- **Remove** Footnote 2
- In Term 6, **Add** "Select one course: CECS 375 or CECS 385"
- In Term 8 **Remove** Unrestricted Elective
- In Term 8, **Add** "Select one course: CECS 475 or CECS 485".

2. To address Vol Core error, please

- In Term 1, **REMOVE** WC elective
- In Term 2, **REMOVE** WC elective
- In Term 3, **REVISE** SS elective credit hours to **3**.
- In Term 3, **ADD** "Expanded Perspectives Elective *3 credit hours*".

3. To clarify "Gateway Course" requirement in Term 4, please

- **Add** a footnote that says "The following courses will satisfy the Gateway Course requirement in Term 4: AC 101, AI 101, AI 102, BINF 201, CECS 101, DATA 101, DATA 102, DETR 201, EMER 101, GAME 201, HCI 201, or SUST 101.

4. Credit Hours should be listed as follows:

- Term 1: Credit Hours **16**
- Term 2: Credit Hours **15**
 - change to: "Unrestricted Elective *3 credit hours*" (*previously showed 4 credit hours*)
- Term 3: Credit Hours **15**
- Term 4: Credit Hours 15 (*no change*)
- Term 5: Credit Hours 15 (*no change*)
- Term 6: Credit Hours **15**
- Term 7: Credit Hours 15 (*no change*)
- Term 8: Credit Hours 15 (*no change*)
- Total Credit Hours: **121**

Minimum Vol Core hours

Vol Core has specific requirements. If those requirements are not met in a program, we (1) inform the college, (2) correct the catalog using the solution the department/college suggests which may be changing a free elective to be a Vol Core course, or if course ABC 123 has been submitted to Vol Core but the committee has not yet made a decision about the course, then the correction might indicate to take "ABC 123 or a Vol Core elective" or "free elective or Vol Core elective" or other appropriate solution and (3) document this correction at the next meeting of the UG Curriculum Committee.

Rationale

This is to raise awareness of the processes that our offices have been following when immediate urgent corrections have been required in the active catalog. This does not apply to anything other than urgent corrections noted above. These typically show as low-impact corrections in the last meetings of the spring or the early meetings of the fall. For an example of how this looked in the past, see the attachment that was taken from TRACE minutes of UG Council minutes of meeting April 12, 2022

https://trace.tennessee.edu/cgi/viewcontent.cgi?article=1124&context=utk_undergradcouncil .

Details of Error(s)*

Missing required VolCore credit hours.

Four VolCore categories have issues:

1. WC - nothing in the current showcase has a WC designation.
2. OC - nothing in the current showcase has an OC designation.
3. AOC - nothing in the current showcase has an AOC designation.
4. EI - Missing 1 credit hour of EI. Has 8 credits with EF 141 and 142.

Information*

1. Change AET 401 and 402 senior design (terms 7 and 8) to AE 450 and 460.
2. Term 8 fix WC
 1. add to Expanded Perspectives "must have WC Vol Core designation"
3. Term 6 fix EI
 1. Change AET 340 to AE 345

Rationale

This covers OC and AOC requirements.

Note: AE/ME 345 is an EI VolCore course and covers the third EI course with a different designation to EI.

Minimum program hours for a baccalaureate degree

SACSCOC requires a minimum of 120 semester hours for a baccalaureate degree and, if we discover a program with fewer hours, we (1) inform the college, (2) correct the catalog using the solution the department/college suggests which may be a free elective or a required course that was inadvertently left out or a new course to replace a dropped course or whatever else the department/college thinks is appropriate, and (3) document this correction at the next meeting of the UG Curriculum Committee.

Minimum Vol Core hours

Vol Core has specific requirements. If those requirements are not met in a program, we (1) inform the college, (2) correct the catalog using the solution the department/college suggests which may be changing a free elective to be a Vol Core course, or if course ABC 123 has been submitted to Vol Core but the committee has not yet made a decision about the course, then the correction might indicate to take "ABC 123 or a Vol Core elective" or "free elective or Vol Core elective" or other appropriate solution and (3) document this correction at the next meeting of the UG Curriculum Committee.

Rationale

Details of Error(s)*

-Text reads current first-year students..... **Current first-year students are not eligible** due to scholarship conditions. Correction makes it consistent with main University Honors page.

-Text has an error in wording order. "...ideating around complex contemporary problems." Appropriate is "...ideating around contemporary complex problems."

Information*

The updated text is listed below:

Eligibility

The Chancellor's Honors Program Minor is reserved for students in the Chancellor's Honors Program (CHP). First-year applicants with superior academic and extracurricular credentials are invited to apply. Qualified transfer students with less than or equal to one year of credit can apply.

Minor Curricular Requirements

Problem-Solving Sequence

Three-course sequence focused on understanding and ideating around contemporary complex problems.

Rationale

Accurate term (first-year students) is listed and proper wording for grammar is corrected.

Details of Error(s)*

The DARS team identified the following error in this program that requires a correction:

Footnote 2 in this program is asking for 6 hours of EI rather than the required 9. The third EI is not mentioned in the showcase either. DARS will use the universal list for all 9 hours unless CECs says otherwise

Information*

CECS 101 (Term 1) is an EI course and will serve as one of the three EI courses needed to satisfy the EI requirement in this program.

To address the EI errors identified by the DARS team, the following corrections need to be made:

- In Term 5, **Revise** bullets 1 & 2 to read as follows:
 - ² [Engaged Inquiries \(EI\)](#) Elective **3 Credit Hours** * **OR** Unrestricted Elective **3 Credit Hours**
 - ² [Engaged Inquiries \(EI\)](#) Elective **3 Credit Hours** * **OR** Unrestricted Elective **3 Credit Hours**
- In the Footnotes section, **Revise** Footnote 2 to read as follows:
 - "2. Engaged Inquiries electives must total 9 credit hours from two or more subjects."

Rationale

CECS has been in contact with the Registrar's office regarding the process for submitting this correction proposal.

Information*

CECS 101 (Term 1) is an EI course and will serve as one of the three EI courses needed to satisfy the EI requirement in this program.

To address the EI errors identified by the DARS team, the following corrections need to be made:

- In Term 5, **Revise** bullets 1 & 2 to read as follows:
 - ² [Engaged Inquiries \(EI\)](#) Elective **3 Credit Hours** * **OR** Unrestricted Elective **3 Credit Hours**
 - ² [Engaged Inquiries \(EI\)](#) Elective **3 Credit Hours** * **OR** Unrestricted Elective **3 Credit Hours**
- In the Footnotes section, **Revise** Footnote 2 to read as follows:
 - "2. Engaged Inquiries electives must total 9 credit hours from two or more subjects."

Rationale

CECS has been in contact with the Registrar's office regarding the process for submitting this correction proposal.

CORRECTION: ECON 211 "Principles of Microeconomics"**Correction Items****General Catalog Information****College***

Haslam College of Business

Name of Proposal* CORRECTION: ECON 211 "Principles of Microeconomics"**Catalog Link*** N/A**MCC Proposal Link*** N/A**Important Note about this Form:**Please contact the CCM team (curriculum_help@utk.edu) before submitting this form.**Criteria/Threshold of Corrections past Cycle 4:**<https://utk.curriculog.com/proposal:3874/form>**Minimum program hours for a baccalaureate degree**

SACSCOC requires a minimum of 120 semester hours for a baccalaureate degree and, if we discover a program with fewer hours, we (1) inform the college, (2) correct the catalog using the solution the department/college suggests which may be a free elective or a required course that was inadvertently left out or a new course to replace a dropped course or whatever else the department/college thinks is appropriate, and (3) document this correction at the next meeting of the UG Curriculum Committee.

Minimum Vol Core hours

Vol Core has specific requirements. If those requirements are not met in a program, we (1) inform the college, (2) correct the catalog using the solution the department/college suggests which may be changing a free elective to be a Vol Core course, or if course ABC 123 has been submitted to Vol Core but the committee has not yet made a decision about the course, then the correction might indicate to take "ABC 123 or a Vol Core elective" or "free elective or Vol Core elective" or other appropriate solution and (3) document this correction at the next meeting of the UG Curriculum Committee.

Rationale

This is to raise awareness of the processes that our offices have been following when immediate urgent corrections have been required in the active catalog. This does not apply to anything other than urgent corrections noted above. These typically show as low-impact corrections in the last meetings of the spring or the early meetings of the fall. For an example of how this looked in the past, see the attachment that was taken from TRACE minutes of UG Council minutes of meeting April 12, 2022

https://trace.tennessee.edu/cgi/viewcontent.cgi?article=1124&context=utk_undergradcouncil .

Details of Error(s)*

This is a correction to allow Public Affairs majors in the Baker School to register for ECON 211- Principles of Microeconomics. This course is required for the Public Affairs major, and we currently have to give all Public Affairs students overrides in order to enroll. This would correct our oversight in omitting the Public Affairs major from the registration restriction.

Information*

Registration Restriction(s): Majors in the Haslam College of Business, Economics majors in the College of Arts and Sciences or the Department of Agricultural and Resource Economics in the Herbert College of Agriculture, or Public Affairs majors in the Baker School of Public Policy and Public Affairs only.

Rationale

This is a correction to allow Public Affairs majors in the Baker School to register for and take ECON 211 and ECON 213. These courses are required for the Public Affairs major, and we currently have to give all students overrides in order to enroll. This would correct our oversight in omitting the Public Affairs major from the registration restriction.

Details of Error(s)*

Science elective option incorrectly listed under Term 6

Information*

Remove "or Science Elective 3 Credit Hours" from term 6. It should just read "Global Citizenship - United States (GCUS) Elective 3 Credit Hours"

For Footnote 2 remove "Any 300- or 400- level course in WFS, FOR, FWF, EPP, ANSC, EEB, BESS, MICR, or BCMB not already required for the major".

For Footnote 2 add "Any course approved as Volunteer Core Global Citizenship - United States".

Rationale

A Global Citizenship - United States (GCUS) elective is needed to meet Vol Core requirements. The science lective is not required for successful completion of the major.

Details of Error(s)*

This proposal will correct an issue identified by the DARS team as noted below:

1. N/R/S course requirement does not align with current CECS course offerings.
2. The Vol Core requirements need to be revised.

These changes will affect the term credit hours and total number of credit hours, so those corrections will also be addressed in Information item 3 (below).

Finally, Footnote 1 needs to be updated to align with previously approved equivalent course revisions which is addressed in Information item 4 (below). ITS 101, ITS 399 and ITS 499 are now listed as CECS 101, CECS 399 and CECS 499 in the program, so the footnote needs to be corrected accordingly.

Information*

1. To address N/R/S course requirement error, please

- **Remove** Footnote 2
- In Term 6, **Remove** Unrestricted Elective
- In Term 6, **Add** "Select one course: CECS 375 or CECS 385"
- In Term 8 **Remove** Unrestricted Elective
- In Term 8, **Add** "Select one course: CECS 475 or CECS 485"

2. To address Vol Core error, please

- In Term 1, **REMOVE** WC elective
- In Term 1, **ADD** Unrestricted elective 3 *credit hours*
- In Term 2, **REMOVE** WC elective
- In Term 3, **REVISE** SS elective credit hours to 3.
- In Term 3, **ADD** "Expanded Perspectives Elective 3 *credit hours*".

3. In Term 2, **REVISE** credit hours to 16

4. Please **REVISE** footnote 1 to read: "All students must complete the following ITS core courses: CECS 101, ITS 102, ITS 201, ITS 202, ITS 301, ITS 302, CECS 399, ITS 401, and CECS 499.

Rationale

CECS has been in contact with the Registrar's office regarding the process for submitting this correction proposal.

Please contact the CCM team (curriculum_help@utk.edu) before submitting this form.

Criteria/Threshold of Corrections past Cycle 4:

<https://utk.curriculog.com/proposal:3874/form>

Minimum program hours for a baccalaureate degree

SACSCOC requires a minimum of 120 semester hours for a baccalaureate degree and, if we discover a program with fewer hours, we (1) inform the college, (2) correct the catalog using the solution the department/college suggests which may be a free elective or a required course that was inadvertently left out or a new course to replace a dropped course or whatever else the department/college thinks is appropriate, and (3) document this correction at the next meeting of the UG Curriculum Committee.

Minimum Vol Core hours

Vol Core has specific requirements. If those requirements are not met in a program, we (1) inform the college, (2) correct the catalog using the solution the department/college suggests which may be changing a free elective to be a Vol Core course, or if course ABC 123 has been submitted to Vol Core but the committee has not yet made a decision about the course, then the correction might indicate to take "ABC 123 or a Vol Core elective" or "free elective or Vol Core elective" or other appropriate solution and (3) document this correction at the next meeting of the UG Curriculum Committee.

Rationale

This is to raise awareness of the processes that our offices have been following when immediate urgent corrections have been required in the active catalog. This does not apply to anything other than urgent corrections noted above. These typically show as low-impact corrections in the last meetings of the spring or the early meetings of the fall. For an example of how this looked in the past, see the attachment that was taken from TRACE minutes of UG Council minutes of meeting April 12, 2022

https://trace.tennessee.edu/cgi/viewcontent.cgi?article=1124&context=utk_undergradcouncil .

Details of Error(s)*

The DARS team has identified the following errors that need to be corrected:

- 1) The ITS total program credit hours does not match the term credit hour totals
- 2) There are currently four EI courses listed in the program, but Vol Core only requires 3 EI courses to be completed. CECS 101 (required) satisfies 3 SCH of the Vol Core EI requirement, so students will only need to take 2 additional EI elective courses (6 SCH).
- 3) Language needs to be revised to clearly communicate that COAD130 / COAD430 is a recommended EI elective course, but not required.

Information*

- 1) To address the error in total program credit hours, the following corrections need to be made:
- **UPDATE** the first two sentences in the program description to read: "The Bachelor of Science in Innovative Transdisciplinary Studies (BS-ITS) will consist of **121** total student credit hours, as required for any bachelor's degree at the University of Tennessee. Out of the total **121** credit hours, 27 hours will be Innovative Transdisciplinary Studies core courses, including two capstone courses. "
 - **UPDATE** Total Credit Hours to **121**
- 2) To address the error in the number of required EI courseees, the following corrections need to be made:
- In Term 7
 - **REMOVE** "[Engaged Inquiries \(EI\)](#) Elective **3 Credit Hours** *"
 - **REVISE** bullet 3 to read: "Select **three** CECS certificate courses **9 credit hours**"
CECS Certificates (See list of certificates below)
 - In Term 8
 - **REMOVE** "[Engaged Inquiries \(EI\)](#) Elective **3 Credit Hours** *"
 - **REMOVE** "Select ONE CECS elective **3 credit hours**"
 - **REVISE** bullet 3 to read: "Select **three** CECS certificate courses **9 credit hours**"
CECS Certificates (See list of certificates below)
- 3) To clearly communicate that COAD 130 / COAD 430 is a recommended EI elective course, but not required, please make the following correction:
- In Term 2
 - **REMOVE** "Select one Engaged Inquiry (Vol Core) from the following recommended courses COAD130 / COAD 430"
 - **ADD** "²[Engaged Inquiries \(EI\)](#) Elective **3 Credit Hours** *"
 - In Term 3
 - **REVISE** bullet 1 to "²[Engaged Inquiries \(EI\)](#) Elective **3 Credit Hours** *"
 - In Footnotes
 - **REVISE** Footnote 2 to "2. COAD 130 / COAD 430 are recommended, but students may select any EI course to satisfy this requirement."
 - (Note: The existing footnote 2 is not referenced in the program, so revising it to address the need for clarification regarding COAD 130 / COAD 430 also helps to correct that error in the existing footnotes section)

Rationale

CECS has been in contact with the Registrar's office regarding the process for submitting this correction proposal.

This is to raise awareness of the processes that our offices have been following when immediate urgent corrections have been required in the active catalog. This does not apply to anything other than urgent corrections noted above. These typically show as low-impact corrections in the last meetings of the spring or the early meetings of the fall. For an example of how this looked in the past, see the attachment that was taken from TRACE minutes of UG Council minutes of meeting April 12, 2022

https://trace.tennessee.edu/cgi/viewcontent.cgi?article=1124&context=utk_undergradcouncil .

Details of Error(s)*

This proposal will correct an issue identified by the DARS team as noted below:

1. N/R/S course requirement does not align with current CECS course offerings.
2. The Vol Core requirements need to be revised.

These changes will affect the term credit hours and total number of credit hours, so those corrections will also be addressed in Information item 3 (below).

Finally, Term 6 Milestone Notes and Footnote 1 need to be updated to align with previously approved equivalent course revisions which is addressed in Information item 4 (below). The Term 6 milestone note needs to be changed from ITS 399 to CECS 399 and ITS 101, ITS 399 and ITS 499 are now listed as CECS 101, CECS 399 and CECS 499 in the program, so the footnote needs to be corrected accordingly.

Information*

1. To address N/R/S course requirement error, please

- **Remove** Footnote 2
- In Term 6, **Remove** Unrestricted Elective
- In Term 6, **Add** "Select one course: CECS 375 or CECS 385"
- In Term 8 **Remove** Unrestricted Elective
- In Term 8, **Add** "Select one course: CECS 475 or CECS 485"
- **Remove** "Completed one Research/Internship/Service course" from Term 8 Milestone Notes.

2. To address Vol Core error, please

- In Term 1, **REMOVE** WC elective
- In Term 1, **ADD** Unrestricted elective *3 credit hours*
- In Term 2, **REMOVE** WC elective
- In Term 3, **REVISE** SS elective credit hours to 3.
- In Term 3, **ADD** "Expanded Perspectives Elective *3 credit hours**".

3. In Term 5, **REVISE** credit hours to 15.

4. To address equivalent course alignment issue

- Please **REVISE** Term 6 Milestone note to read: "Completed CECS 399"
- Please **REVISE** Footnote 1 to read: "All students must complete the following ITS core courses: CECS 101, ITS 102, ITS 201, ITS 202, ITS 301, ITS 302, CECS 399, ITS 401, and CECS 499.

Rationale

CECS has been in contact with the Registrar's office regarding the process for submitting this correction proposal.

For an example of how this looked in the past, see the attachment that was taken from TRACE minutes of UG Council minutes of meeting April 12, 2022

https://trace.tennessee.edu/cgi/viewcontent.cgi?article=1124&context=utk_undergradcouncil .

Details of Error(s)*

The DARS team has identified the following errors that need to be corrected:

- 1) The ITS total program credit hours does not match the term credit hour totals
- 2) There are currently four EI courses listed in the program, but Vol Core only requires 3 EI courses to be completed. CECS 101 (required) satisfies 3 SCH of the Vol Core EI requirement, so students will only need to take 2 additional EI elective courses (6 SCH).
- 3) Language needs to be revised to clearly communicate that COAD/DSGN 130/430 is a recommended EI elective course, but not required.

Information*

- 1) To address the error in total program credit hours, the following corrections need to be made:
- **UPDATE** the first sentence in the program description to read: *"The BS in Innovative Transdisciplinary Studies degree program is a 121-credit, 4-year B.S. program that provides customizable transdisciplinary options including stackable certificates, concentrations and minors."*
 - **UPDATE** Total Credit Hours to **121**
- 2) To address the error in the number of required EI coursees, the following corrections need to be made:
- In Term 7
 - **REMOVE** [Engaged Inquiries \(EI\)](#) Elective **3 Credit Hours ***
 - **REVISE** bullet 3 to read: "Select **two** CECS certificate courses **6 credit hours**"
CECS Certificates (See list of certificates below)
 - In Term 8
 - **REMOVE** [Engaged Inquiries \(EI\)](#) Elective **3 Credit Hours ***
 - **REVISE** bullet 3 to read: "Select **two** CECS certificate courses **6 credit hours**"
CECS Certificates (See list of certificates below)
- 3) To clearly communicate that COAD 130 / COAD 430 is a recommended EI elective course, but not required, please make the following correction:
- In Term 2
 - **REMOVE** "Select one EI from the following recommended courses: COAD130/COAD 430"
 - **ADD** "²[Engaged Inquiries \(EI\)](#) Elective **3 Credit Hours ****"
 - In Term 3
 - **REVISE** bullet 1 to "²[Engaged Inquiries \(EI\)](#) Elective **3 Credit Hours ****"
 - In Footnotes
 - **REVISE** Footnote 2 to "2. COAD 130 / COAD 430 are recommended, but students may select any EI course to satisfy this requirement."
 - (Note: The existing footnote 2 is not referenced in the program, so revising it to address the need for clarification regarding COAD/DSGN 130/430 also helps to correct that error in the existing footnotes section)

Details of Error(s)*

The DARS team identified the following error in this program that requires a correction:

"Remove Applied Computing certificate options for ITS AC Concentration".

Information*

The certificate cannot be removed since it is part of the CECS Certificates shared core which cannot be edited.

Instead, to address this error, please add a footnote as indicated below:

"6. Students enrolled in the BSITS - Applied Computing Concentration cannot use the required concentration courses to satisfy the certificate course requirement and are not eligible to earn an Applied Computing certificate as part of the BSITS-Applied Computing Concentration degree program."

Rationale

CECS has been in contact with the Registrar's office and DARS team regarding the process for submitting this correction proposal.

https://trace.tennessee.edu/cgi/viewcontent.cgi?article=1124&context=utk_undergradcouncil .

Details of Error(s)*

This proposal will correct an issue identified by the DARS team as noted below:

1. N/R/S course requirement does not align with current CECS course offerings.
2. The Vol Core requirements need to be revised.

Term 6 Milestone Notes and Footnote 1 need to be updated to align with previously approved equivalent course revisions which are addressed in Information item 3 (below). The Term 6 milestone note needs to be changed from ITS 399 to CECS 399 and ITS 101, ITS 399 and ITS 499 are now listed as CECS 101, CECS 399 and CECS 499 in the program, so the footnote needs to be corrected accordingly.

Finally, the concentration title has been revised so all references to the concentration throughout the program need to be updated to the correct program title as noted in Information item 4 (below).

Information*

1. To address N/R/S course requirement error, please

- In Term 6, **REMOVE** Unrestricted Elective
- In Term 6, **ADD** "Select one course: CECS 375 or CECS 385"
- In Term 8, **REMOVE** Unrestricted Elective
- In Term 8, **ADD** "Select one course: CECS 475 or CECS 485"
- In Term 8, **REMOVE** "Completed one Research/Internship/Service course" from Term 8 Milestone Notes.
- **REMOVE** Footnote 2

2. To address Vol Core errors, please

- In Term 1, **REMOVE** WC elective
- In Term 1, **ADD** Unrestricted elective 3 *credit hours*
- In Term 2, **REMOVE** WC elective
- In Term 3, **REVISE** SS elective credit hours to 3.
- In Term 3, **ADD** "Expanded Perspectives Elective 3 *credit hours*".

3. To address equivalent course alignment issue

- Please **REVISE** Term 6 Milestone note to read: "Completed CECS 399"
- Please **REVISE** Footnote 1 to read: "All students must complete the following ITS core courses: CECS 101, ITS 102, ITS 201, ITS 202, ITS 301, ITS 302, CECS 399, ITS 401, and CECS 499."

4. To update the concentration title throughout the program, please make the following corrections:

- In Term 5, Please **REVISE** text under Bullet 4 to " ⁴Human-Intelligent Systems Interaction Concentration Course".
- In Term 6, Please **REVISE** text under Bullet 4 to " ⁴Human-Intelligent Systems Interaction Concentration Course".
- In Term 7, Please **REVISE** text under Bullet 4 to " ⁴Human-Intelligent Systems Interaction Concentration Course"
- In Term 8, Please **REVISE** text under Bullet 4 to " ⁴Human-Intelligent Systems Interaction Concentration Course"
- In Footnotes, Please **REVISE** Footnote 4 to read "Concentration requirement. See Human-Intelligent Systems Interaction Concentration Requirements below for additional information.
- Please **REVISE** the title of the concentration requirements core (under CECS Certificates list) to "Human-Intelligent Systems Interaction Concentration Requirements"
- Please **REVISE** concentration core description to: "The Human-Intelligent Systems Interaction concentration consists of 12 credit hours of required coursework. To satisfy the Human-Intelligent Systems Interaction concentration requirements, students must complete the following courses:"

Rationale

CECS has been in contact with the Registrar's office regarding the process for submitting this correction proposal.

Please contact the CCM team (curriculum_help@utk.edu) before submitting this form.

Criteria/Threshold of Corrections past Cycle 4:

<https://utk.curriculog.com/proposal:3874/form>

Minimum program hours for a baccalaureate degree

SACSCOC requires a minimum of 120 semester hours for a baccalaureate degree and, if we discover a program with fewer hours, we (1) inform the college, (2) correct the catalog using the solution the department/college suggests which may be a free elective or a required course that was inadvertently left out or a new course to replace a dropped course or whatever else the department/college thinks is appropriate, and (3) document this correction at the next meeting of the UG Curriculum Committee.

Minimum Vol Core hours

Vol Core has specific requirements. If those requirements are not met in a program, we (1) inform the college, (2) correct the catalog using the solution the department/college suggests which may be changing a free elective to be a Vol Core course, or if course ABC 123 has been submitted to Vol Core but the committee has not yet made a decision about the course, then the correction might indicate to take "ABC 123 or a Vol Core elective" or "free elective or Vol Core elective" or other appropriate solution and (3) document this correction at the next meeting of the UG Curriculum Committee.

Rationale

This is to raise awareness of the processes that our offices have been following when immediate urgent corrections have been required in the active catalog. This does not apply to anything other than urgent corrections noted above. These typically show as low-impact corrections in the last meetings of the spring or the early meetings of the fall. For an example of how this looked in the past, see the attachment that was taken from TRACE minutes of UG Council minutes of meeting April 12, 2022

https://trace.tennessee.edu/cgi/viewcontent.cgi?article=1124&context=utk_undergradcouncil .

Details of Error(s)*

The DARS team has identified the following errors that need to be corrected:

- 1) The ITS total program credit hours does not match the term credit hour totals
- 2) There are currently four EI courses listed in the program, but Vol Core only requires 3 EI courses to be completed. CECS 101 (required) satisfies 3 SCH of the Vol Core EI requirement, so students will only need to take 2 additional EI elective courses (6 SCH).
- 3) Language needs to be revised to clearly communicate that COAD130 / COAD430 is a recommended EI elective course, but not required.

Information*

- 1) To address the error in total program credit hours, the following corrections need to be made:
- **UPDATE** the first sentence in the program description to read: *"The BS in Innovative Transdisciplinary Studies degree program is a 121-credit, 4-year B.S. program that provides customizable transdisciplinary options including stackable certificates, concentrations and minors."*
 - **UPDATE** Total Credit Hours to **121**
- 2) To address the error in the number of required EI coursees, the following corrections need to be made:
- In Term 7
 - **REMOVE** [Engaged Inquiries \(EI\)](#) Elective **3 Credit Hours ***
 - **REVISE** bullet 3 to read: "Select **two** CECS certificate courses **6 credit hours**"
CECS Certificates (See list of certificates below)
 - In Term 8
 - **REMOVE** [Engaged Inquiries \(EI\)](#) Elective **3 Credit Hours ***
 - **REVISE** bullet 3 to read: "Select **two** CECS certificate courses **6 credit hours**"
CECS Certificates (See list of certificates below)
- 3) To clearly communicate that COAD 130 / COAD 430 is a recommended EI elective course, but not required, please make the following correction:
- In Term 2
 - **REMOVE** "Select one EI from the following recommended courses: COAD130/COAD 430"
 - **ADD** "²[Engaged Inquiries \(EI\)](#) Elective **3 Credit Hours ****"
 - In Term 3
 - **REVISE** bullet 1 to "²[Engaged Inquiries \(EI\)](#) Elective **3 Credit Hours ****"
 - In Footnotes
 - **REVISE** Footnote 2 to "2. COAD 130 / COAD 430 are recommended, but students may select any EI course to satisfy this requirement."
 - (Note: The existing footnote 2 is not referenced in the program, so revising it to address the need for clarification regarding COAD 130 / COAD 430 also helps to correct that error in the existing footnotes section)

Details of Error(s)*

The DARS team identified the following error in this program that requires a correction:

"Remove Human-Intelligent Systems Interaction certificate options for ITS Human-Intelligent Systems Interaction Concentration".

Information*

The certificate cannot be removed since it is part of the CECS Certificates shared core which cannot be edited.

Instead, to address this error, please add a footnote as indicated below:

"6. Students enrolled in the BSITS - Human-Intelligent Systems Interaction Concentration cannot use the required concentration courses to satisfy the certificate course requirement and are not eligible to earn the Human-Intelligent Systems Interaction certificate as part of the BSITS - Human-Intelligent Systems Interaction Concentration degree program."

Rationale

CECS has been in contact with the Registrar's office and DARS team regarding the process for submitting this correction proposal.

Criteria/Threshold of Corrections past Cycle 4:

<https://utk.curriculog.com/proposal:3874/form>

Minimum program hours for a baccalaureate degree

SACSCOC requires a minimum of 120 semester hours for a baccalaureate degree and, if we discover a program with fewer hours, we (1) inform the college, (2) correct the catalog using the solution the department/college suggests which may be a free elective or a required course that was inadvertently left out or a new course to replace a dropped course or whatever else the department/college thinks is appropriate, and (3) document this correction at the next meeting of the UG Curriculum Committee.

Minimum Vol Core hours

Vol Core has specific requirements. If those requirements are not met in a program, we (1) inform the college, (2) correct the catalog using the solution the department/college suggests which may be changing a free elective to be a Vol Core course, or if course ABC 123 has been submitted to Vol Core but the committee has not yet made a decision about the course, then the correction might indicate to take "ABC 123 or a Vol Core elective" or "free elective or Vol Core elective" or other appropriate solution and (3) document this correction at the next meeting of the UG Curriculum Committee.

Rationale

This is to raise awareness of the processes that our offices have been following when immediate urgent corrections have been required in the active catalog. This does not apply to anything other than urgent corrections noted above. These typically show as low-impact corrections in the last meetings of the spring or the early meetings of the fall. For an example of how this looked in the past, see the attachment that was taken from TRACE minutes of UG Council minutes of meeting April 12, 2022

https://trace.tennessee.edu/cgi/viewcontent.cgi?article=1124&context=utk_undergradcouncil .

Details of Error(s)*

This proposal will correct an issue identified by the DARS team as noted below:

1. N/R/S course requirement does not align with current CECS course offerings.
2. The Vol Core requirements need to be revised.

These changes will affect the term credit hours and total number of credit hours, so those corrections will also be addressed in Information item 3 (below).

Finally, Footnote 1 needs to be updated to align with previously approved equivalent course revisions which is addressed in Information item 4 (below). ITS 101, ITS 399 and ITS 499 are now listed as CECS 101, CECS 399 and CECS 499 in the program, so the footnote needs to be corrected accordingly.

Information*

1. To address N/R/S course requirement error, please

- **Remove** Footnote 2
- In Term 6, **Remove** Unrestricted Elective
- In Term 6, **Add** "Select one course: CECS 375 or CECS 385"
- In Term 8 **Remove** Unrestricted Elective
- In Term 8, **Add** "Select one course: CECS 475 or CECS 485"

2. To address Vol Core error, please

- In Term 1, **REMOVE** WC elective
- In Term 1, **ADD** Unrestricted elective 3 *credit hours*
- In Term 2, **REMOVE** WC elective
- In Term 3, **REVISE** SS elective credit hours to 3.
- In Term 3, **ADD** "Expanded Perspectives Elective 3 *credit hours*".

3. In Term 2, **REVISE** credit hours to 16

4. Please **REVISE** Footnote 1 to read: "All students must complete the following ITS core courses: CECS 101, ITS 102, ITS 201, ITS 202, ITS 301, ITS 302, CECS 399, ITS 401, and CECS 499.

Rationale

- CECS has been in contact with the Registrar's office regarding the process for submitting this correction proposal.

https://trace.tennessee.edu/cgi/viewcontent.cgi?article=1124&context=utk_undergradcouncil .

Details of Error(s)*

The DARS team has identified the following errors that need to be corrected:

- 1) The ITS total program credit hours does not match the term credit hour totals
- 2) There are currently four EI courses listed in the program, but Vol Core only requires 3 EI courses to be completed. CECS 101 (required) satisfies 3 SCH of the Vol Core EI requirement, so students will only need to take 2 additional EI elective courses (6 SCH).
- 3) Language needs to be revised to clearly communicate that COAD/DSGN 130/430 is a recommended EI elective course, but not required.

Information*

1) To address the error in total program credit hours, the following corrections need to be made:

- **UPDATE** the first sentence in the program description to read: *"The BS in Innovative Transdisciplinary Studies degree program is a 121-credit, 4-year B.S. program that provides customizable transdisciplinary options including stackable certificates, concentrations and minors."*
- **UPDATE** Total Credit Hours to **121**

2) To address the error in the number of required EI coursees, the following corrections need to be made:

- In Term 7
 - **REMOVE** [Engaged Inquiries \(EI\)](#) Elective **3 Credit Hours ***
 - **REVISE** bullet 3 to read: "Select **two** CECS certificate courses **6 credit hours**"
CECS Certificates (See list of certificates below)
- In Term 8
 - **REMOVE** [Engaged Inquiries \(EI\)](#) Elective **3 Credit Hours ***
 - **REVISE** bullet 3 to read: "Select **two** CECS certificate courses **6 credit hours**"
CECS Certificates (See list of certificates below)

3) To clearly communicate that COAD 130 / COAD 430 is a recommended EI elective course, but not required, please make the following correction:

- In Term 2
 - **REMOVE** "Select one EI from the following recommended courses: COAD130/COAD 430"
 - **ADD** "²[Engaged Inquiries \(EI\)](#) Elective **3 Credit Hours ****"
- In Term 3
 - **REVISE** bullet 1 to "²[Engaged Inquiries \(EI\)](#) Elective **3 Credit Hours ****"
- In Footnotes
 - **REVISE** Footnote 2 to "2. COAD 130 / COAD 430 are recommended, but students may select any EI course to satisfy this requirement."
 - (Note: The existing footnote 2 is not referenced in the program, so revising it to address the need for clarification regarding COAD 130 and COAD 430 also helps to correct that error in the existing footnotes section)

Rationale

CECS has been in contact with the Registrar's office regarding the process for submitting this correction proposal.

Minimum program hours for a baccalaureate degree

SACSCOC requires a minimum of 120 semester hours for a baccalaureate degree and, if we discover a program with fewer hours, we (1) inform the college, (2) correct the catalog using the solution the department/college suggests which may be a free elective or a required course that was inadvertently left out or a new course to replace a dropped course or whatever else the department/college thinks is appropriate, and (3) document this correction at the next meeting of the UG Curriculum Committee.

Minimum Vol Core hours

Vol Core has specific requirements. If those requirements are not met in a program, we (1) inform the college, (2) correct the catalog using the solution the department/college suggests which may be changing a free elective to be a Vol Core course, or if course ABC 123 has been submitted to Vol Core but the committee has not yet made a decision about the course, then the correction might indicate to take "ABC 123 or a Vol Core elective" or "free elective or Vol Core elective" or other appropriate solution and (3) document this correction at the next meeting of the UG Curriculum Committee.

Rationale

This is to raise awareness of the processes that our offices have been following when immediate urgent corrections have been required in the active catalog. This does not apply to anything other than urgent corrections noted above. These typically show as low-impact corrections in the last meetings of the spring or the early meetings of the fall. For an example of how this looked in the past, see the attachment that was taken from TRACE minutes of UG Council minutes of meeting April 12, 2022

https://trace.tennessee.edu/cgi/viewcontent.cgi?article=1124&context=utk_undergradcouncil .

Details of Error(s)*

The DARS team has identified the following errors that need to be corrected:

- 1) The ITS total program credit hours does not match the term credit hour totals
- 2) There are currently four EI courses listed in the program, but Vol Core only requires 3 EI courses to be completed. CECS 101 (required) satisfies 3 SCH of the Vol Core EI requirement, so students will only need to take 2 additional EI elective courses (6 SCH).
- 3) Language needs to be revised to clearly communicate that COAD130 / COAD430 is a recommended EI elective course, but not required.

Information*

1) To address the error in total program credit hours, the following corrections need to be made:

- **UPDATE** the first sentence in the program description to read: *"The BS in Innovative Transdisciplinary Studies degree program is a 121-credit, 4-year B.S. program that provides customizable transdisciplinary options including stackable certificates, concentrations and minors."*
- **UPDATE** Total Credit Hours to 121

2) To address the error in the number of required EI coursees, the following corrections need to be made:

- In Term 7
 - **REMOVE** [Engaged Inquiries \(EI\)](#) Elective 3 Credit Hours *
 - **REVISE** bullet 3 to read: "Select **two** CECS certificate courses **6 credit hours**"
CECS Certificates (See list of certificates below)
- In Term 8
 - **REMOVE** [Engaged Inquiries \(EI\)](#) Elective 3 Credit Hours *
 - **REVISE** bullet 3 to read: "Select **two** CECS certificate courses **6 credit hours**"
CECS Certificates (See list of certificates below)

3) To clearly communicate that COAD 130 / COAD 430 is a recommended EI elective course, but not required, please make the following correction:

- In Term 2
 - **REMOVE** "Select one EI from the following recommended courses: COAD130/COAD 430"
 - **ADD** "²[Engaged Inquiries \(EI\)](#) Elective 3 Credit Hours **"
- In Term 3
 - **REVISE** bullet 1 to "²[Engaged Inquiries \(EI\)](#) Elective 3 Credit Hours **"
- In Footnotes
 - **REVISE** Footnote 2 to "2. COAD 130 / COAD 430 are recommended, but students may select any EI course to satisfy this requirement."
 - (Note: The existing footnote 2 is not referenced in the program, so revising it to address the need for clarification regarding COAD 130 / COAD 430 also helps to correct that error in the existing footnotes section)

Rationale

CECS has been in contact with the Registrar's office regarding the process for submitting this correction proposal.

Details of Error(s)*

The Associate Director for Academic Affairs in the College of Law noticed the first-year curriculum for the Pre-Professional Programs, Pre-Law Concentration was incorrect and requested to remove the coursework listing completely to match what is currently in the catalog elsewhere due to being past the curricular deadlines for the 2025-2026 academic year.

Information*

Change:

Major

Upon satisfactory completion of the following 30 hours of coursework in the College of Law, a student will be awarded the B.S. degree in Pre-Professional Programs, Pre-Law Concentration:

- LAW 801 – Civil Procedure I
- LAW 802 – Civil Procedure II
- LAW 803 – Contracts I
- LAW 804 – Contracts II
- LAW 805 – Legal Process I
- LAW 806 – Legal Process II
- LAW 807 – Torts I
- LAW 808 – Torts II
- LAW 809 – Criminal Law
- LAW 810 – Property

to

Major

Upon satisfactory completion of 30 hours of coursework in the first-year curriculum at the College of Law, a student will be awarded the B.S. degree in Pre-Professional Programs, Pre-Law Concentration.

Rationale

Removing the listed incorrect courses allows the students to begin this program in Fall 2025 as a UG student with the correct information, and not incorrect and conflicting information. CAS was not notified during the regular curricular cycle that the first-year Law program had changed to submit a matching proposal to make these changes.

https://trace.tennessee.edu/cgi/viewcontent.cgi?article=1124&context=utk_undergradcouncil .

Details of Error(s)*

CAS Director of Advising caught an error on the prerequisites for CHEM 122/123 and CHEM 132/133 sequences. Both sequences are needed to get to the 26-27 credit hours that are required prerequisites to move on to the major requirements, not one sequence or the other. The "OR" between CHEM 122/123 and CHEM 132/133 needs to be changed to "AND."

Information*

In the Prerequisites section, change the following:

Choose separate lecture and lab or honors lecture/lab combined:

- [CHEM 122 - General Chemistry I](#) 3 Credit Hours *
- and
- [CHEM 123 - General Chemistry I Laboratory](#) 1 Credit Hours *
- OR
- [CHEM 132 - General Chemistry II](#) 3 Credit Hours *
- and
- [CHEM 133 - General Chemistry II Laboratory](#) 1 Credit Hours *
- OR
- [CHEM 128 - Honors: General Chemistry I](#) 4 Credit Hours *
- and
- [CHEM 138 - Honors: General Chemistry II](#) 4 Credit Hours *

to

Choose separate lecture and lab or honors lecture/lab combined:

- [CHEM 122 - General Chemistry I](#) 3 Credit Hours * and
- [CHEM 123 - General Chemistry I Laboratory](#) 1 Credit Hours *
- AND
- [CHEM 132 - General Chemistry II](#) 3 Credit Hours * and
- [CHEM 133 - General Chemistry II Laboratory](#) 1 Credit Hours *
- OR
- [CHEM 128 - Honors: General Chemistry I](#) 4 Credit Hours * and
- [CHEM 138 - Honors: General Chemistry II](#) 4 Credit Hours *

Rationale

Correcting the "OR" to an "AND" in the Chemistry prerequisite sequencing ensures that students are taking the correct sequences, and 8 credit hours of Chemistry are required for the concentration. It was inadvertently listed incorrectly when this program was revised, which affected the overall credit hours of the program. More precise language will be used to correct the prerequisite wording in the 2026-2027 catalog.

SACSCOC requires a minimum of 120 semester hours for a baccalaureate degree and, if we discover a program with fewer hours, we (1) inform the college, (2) correct the catalog using the solution the department/college suggests which may be a free elective or a required course that was inadvertently left out or a new course to replace a dropped course or whatever else the department/college thinks is appropriate, and (3) document this correction at the next meeting of the UG Curriculum Committee.

Minimum Vol Core hours

Vol Core has specific requirements. If those requirements are not met in a program, we (1) inform the college, (2) correct the catalog using the solution the department/college suggests which may be changing a free elective to be a Vol Core course, or if course ABC 123 has been submitted to Vol Core but the committee has not yet made a decision about the course, then the correction might indicate to take "ABC 123 or a Vol Core elective" or "free elective or Vol Core elective" or other appropriate solution and (3) document this correction at the next meeting of the UG Curriculum Committee.

Rationale

This is to raise awareness of the processes that our offices have been following when immediate urgent corrections have been required in the active catalog. This does not apply to anything other than urgent corrections noted above. These typically show as low-impact corrections in the last meetings of the spring or the early meetings of the fall. For an example of how this looked in the past, see the attachment that was taken from TRACE minutes of UG Council minutes of meeting April 12, 2022

https://trace.tennessee.edu/cgi/viewcontent.cgi?article=1124&context=utk_undergradcouncil .

Details of Error(s)*

The DARS team requested that the Academic Standards language be revised to clearly communicate that each course for the PATH certificate requires a C or better.

Information*

To address the error detailed above, please make the following correction:

- Please **REVISE** the text in the Academic Standards Description to read "Students must pass each course with a C or above to receive credit for the certificate."

Rationale

CECS has been in contact with the Registrar's office regarding the process for submitting this correction proposal.

https://trace.tennessee.edu/cgi/viewcontent.cgi?article=1124&context=utk_undergradcouncil .

Details of Error(s)*

We have an incorrect superscript and one incorrect course requirement. I have attached a PDF showing the needed corrections.

In term 4, the Expanded Perspectives Elective should have superscript 9 (not 10).

In term 5, we have "⁹Expanded Perspectives Elective." This puts our number of EP electives at 9 credit hours instead of 6. It also leaves our Engaged Inquiries at 6 credit hours instead of 9. This should be changed to "¹⁰Engaged Inquiries Elective." This will put two EI in one semester; however, we recommend SPED 459 for one and the other should remain open.

Information*

Change superscript in Term 4:

From "¹⁰Expanded Perspectives Elective" to "⁹Expanded Perspectives Elective"

Change requirement in Term 5:

From "⁹Expanded Perspectives Elective" to "¹⁰Engaged Inquiries Elective"

Rationale

Term 4 error confuses the two footnotes.

The Term 5 error puts our number of EP electives at 9 credit hours instead of 6. It also leaves our Engaged Inquiries at 6 credit hours instead of 9. Changing the requirement puts the program in alignment with Volcore requirements.

Details of Error(s)*

Four items need correction in this section.

Eligibility and Admission

-Text reads current first-year students....: **Current first-year students are not eligible** due to scholarship conditions. Correction makes it consistent with Chancellor's Honors Program page.

-Text has the term "high school seniors" **Students who take a gap year or are adult learners who apply to these programs may not be high school seniors**. It needs to be "first-year applicants." Correction makes it consistent with Chancellor's Honors Program page.

-The text reads that transfer students must apply to University Honors by May 1st. **The date is incorrect** - it is July 1st

This link is broken: [https://studentsuccess.utk.edu/honors/getting-started-with-](https://studentsuccess.utk.edu/honors/getting-started-with-honors-scholars/)

honors-scholars/

Updated link:

<https://studentsuccess.utk.edu/honors/apply-as-an-incoming-first-year-student/>

Information*

The full corrected text for this specific section is listed below.

Eligibility and Admission

Chancellor's Honors: First-year applicants with superior academic and extracurricular credentials are invited to apply to the Chancellor's Honors Program. Qualified transfer students with less than or equal to one year of credit can apply for membership. Students beyond one year of academic credit are encouraged to enroll in departmental honors concentrations or college honor programs.

Haslam Leadership Scholars: Only first-year applicants are eligible to apply to Haslam Leadership Scholars. Highly accomplished students with a demonstrated commitment to leadership, service, and civic engagement who aspire to leverage their leadership to enrich the lives of people and communities across Tennessee and beyond are strongly encouraged to apply.

Prospective first-year applicants must apply to the University of Tennessee by the early action deadline (typically November 1st) and to University Honors by approximately November 20th. Transfer students must apply to University Honors by July 1st.

Currently, distance education students are not eligible for the University Honors program.

For precise dates and more information about admissions, please access: <https://studentsuccess.utk.edu/honors/apply-as-an-incoming-first-year-student/>

University Honors students are expected to make timely progress toward honors graduation while maintaining a minimum cumulative GPA of 3.5. Students not meeting expectations must complete supplemental academic coaching with University Honors coaches.

Rationale

Correcting inaccurate information and broken link in the University Honors main page.

Criteria/Threshold of Corrections past Cycle 4:<https://utk.curriculog.com/proposal:3874/form>**Minimum program hours for a baccalaureate degree**

SACSCOC requires a minimum of 120 semester hours for a baccalaureate degree and, if we discover a program with fewer hours, we (1) inform the college, (2) correct the catalog using the solution the department/college suggests which may be a free elective or a required course that was inadvertently left out or a new course to replace a dropped course or whatever else the department/college thinks is appropriate, and (3) document this correction at the next meeting of the UG Curriculum Committee.

Minimum Vol Core hours

Vol Core has specific requirements. If those requirements are not met in a program, we (1) inform the college, (2) correct the catalog using the solution the department/college suggests which may be changing a free elective to be a Vol Core course, or if course ABC 123 has been submitted to Vol Core but the committee has not yet made a decision about the course, then the correction might indicate to take "ABC 123 or a Vol Core elective" or "free elective or Vol Core elective" or other appropriate solution and (3) document this correction at the next meeting of the UG Curriculum Committee.

Rationale

This is to raise awareness of the processes that our offices have been following when immediate urgent corrections have been required in the active catalog. This does not apply to anything other than urgent corrections noted above. These typically show as low-impact corrections in the last meetings of the spring or the early meetings of the fall. For an example of how this looked in the past, see the attachment that was taken from TRACE minutes of UG Council minutes of meeting April 12, 2022

https://trace.tennessee.edu/cgi/viewcontent.cgi?article=1124&context=utk_undergradcouncil .

Details of Error(s)*

We are missing the word "Transfer" in the last sentence in the first paragraph.

Information*

See below of the need addition for clarity in the last two sentences in this section

" Qualified transfer students with less than or equal to one year of credit can apply for membership. **Transfer** students beyond one year of academic credit are encouraged to enroll in [departmental honors concentrations or college honor programs](#).

Rationale

We had a current student ask about admission. Although the first sentence in this section clearly states 'first year and transfer only,' the student interpreted the last sentence highlighted above to mean 'current students.' Adding the word "Transfer" to the last sentence corrects the meaning, which will avoid further confusion (and disappointment from current students).

Information*

Admission to the University

As the state's largest and most comprehensive university, the University of Tennessee, Knoxville, seeks to provide high-quality educational programs for all students who have the academic ability and motivation to pursue and profit from a post-secondary education. Similar opportunities are available at the graduate level. While the majority of students at the University of Tennessee, Knoxville, are residents of Tennessee, the university welcomes qualified students from other states and from other countries.

Undergraduate Admission

<https://admissions.utk.edu>

Admissions decisions for degree-seeking students are based upon several factors, including, but not limited to: applicant's high school and college grades reported via the Self-Reported Academic Record and the applicant's scores on the ACT or SAT, rigor of curriculum, completing recommended coursework, involvement, and extracurricular activities. Anyone interested in attending the University of Tennessee, Knoxville, as an undergraduate student is encouraged to visit the website of the Office of Undergraduate Admissions for information at <https://admissions.utk.edu>.

Important information for undergraduate admission applications is available on the web at <https://admissions.utk.edu/apply/>. All interested students may apply online through the UT application (<https://govols.utk.edu/apply/>) or the CommonApp (www.commonapp.org). After submitting the application, students will receive information to view their Go Vols Portal. The Go Vols Portal should be viewed as it will show important information regarding application requirements and decision updates.

Final high school transcripts and verified ACT/SAT scores are required for enrollment. More information for submitting these items can be found at <https://admissions.utk.edu/admitted-students/transcript-instructions/>. Academic credits earned in a country outside of the United States must be submitted for evaluation. For additional information, see the International Student Admission Requirements at <https://admissions.utk.edu/undergraduate-application/international-students/>. For additional information, please contact:

The University of Tennessee, Knoxville
Office of Undergraduate Admissions
320 Student Services Building
Knoxville, TN 37996-0230
E-mail admissions@utk.edu
Phone (865) 974-1111

First-Year Admission

UT calculates a weighted core GPA based on your grades in the courses listed below. **Completion of all sixteen core courses is not required for admission but strongly encouraged.**

4	units of English
4	units of Math (algebra, geometry, trigonometry, calculus, statistics, or other advanced math)
3	units of Science (biology, chemistry, physics, or other science)
1	unit of American history
1	unit of European history, world history, or world geography
2	units of a single Foreign language (or ASL)
1	unit of Visual or performing arts

In the core academic subjects, the UT Core GPA will be weighted by UT to reflect honors courses (0.5 quality points added), Advanced Placement (AP), Cambridge AS and A Level, International Baccalaureate (IB), and dual enrollment courses (1.0 quality points added). UT calculates the UT Core GPA on a 4-point scale. UT uses unweighted high school course grades as the basis for adding these weightings for the UT Core GPA calculation. If students attend a high school that does not weight courses, UT will also not weight them. However, the academic rigor of the curriculum is important and will be valued by our admissions review team. UT does not round the GPA.

UT Knoxville accepts either the ACT or SAT examination and does not require the ACT or SAT essay.

Dual Enrollment Students

A dual enrollment student is currently enrolled in high school and seeks to enroll part-time at UT, based on his/her academic ability and educational need. Students should have a minimum 3.0 high school grade point average. Applications are subject to review, and admission is not guaranteed.

Dual enrollment applicants must submit the application for Dual Enrollment Students, accessible from <https://admissions.utk.edu/apply> and the dual enrollment academic verification form.

General Transfer Admission Policies

A transfer applicant is a student who has attended any postsecondary institution and has earned at least one transferable credit prior to matriculation at UT Knoxville and following high school graduation (excludes dual enrollment, early/middle college program enrollment, prior learning credits, and similar credit). High school graduates who earn summer credit prior to their first fall term of enrollment are still considered first-year students.

The University of Tennessee, Knoxville, has a competitive admission process for transfer applicants and utilizes a holistic application review process considering all parts of the transfer student's academic record. Applicants are required to submit the application for Transfer, accessible from <https://admissions.utk.edu/apply>, pay the application fee, submit required official transcripts, and any other material(s) being requested. Transfer applicants who have earned 24 or less transferable college level credit hours will be reviewed holistically based on college level and high school level academic performance, transfer GPA, ACT/SAT scores, intended major field of study, and other factors. Applicants are required to send in all scores and college level transcripts to be reviewed for admission. Transfer applicants who have earned more than 24

transferable college hours will be reviewed primarily on transfer GPA; however, other holistic factors will be considered as needed.

Any transfer applicant who has been academically suspended or dismissed by the last institution they attended will not be considered for admission, regardless of the hours earned and transferable GPA.

UT is required to have an official transcript on file from each college or university an applicant has attended, even for courses taken during summer school or dual enrollment. For admission purposes, students are required to have official transcripts sent directly from each institution attended to the Office of Undergraduate Admissions. UT Knoxville accepts official transcripts from other colleges and universities either electronically through the official electronic transmission system of the issuing institution or mailed in a sealed envelope directly from the issuing institution. More information can be found at <https://admissions.utk.edu/undergraduate-application/transfer-student/>.

For financial aid purposes, students are required to submit a final, official transcript from the last institution attended. Additionally, college level academic credits earned in a country outside of the United States must be submitted for evaluation. We will only be able to process an application after receiving the necessary report from the evaluation company. Information is available at <https://admissions.utk.edu/undergraduate-application/transfer-student/> and the International Student Applicants section of this catalog. To an approved evaluation company for a detailed or course-by-course evaluation and calculated college grade point average (GPA). We will only be able to process an application after receiving the necessary report from the evaluation company. Information is available at <https://admissions.utk.edu/undergraduate-application/transfer-student/> and the International Student Applicants section of this catalog.

Transfer applicants should have a minimum cumulative 2.0 GPA (on a 4.0 scale) in transferable academic-level coursework. All courses attempted and grades earned, including repeated coursework, in college-level and non-remedial courses are considered in holistic review. Grades earned at other colleges and universities are used only for admission, course placement, and other academic decisions. They are not included in the UT Knoxville GPA.

Undergraduate Admissions recommends that all transfer applicants that are active or former military send in Joint Service Transcripts, DD214, or any other record of service to be considered in the holistic review process if necessary.

Academic units play an important role in the holistic review of transfer students. Some majors have capacity limits which result in very few transfer admissions into those majors – even for well-qualified students. For such majors, those academic colleges or departments may require greater than a 2.0 GPA for acceptance into certain programs. Students should be aware that many UT majors and/or colleges require additional coursework and enforce performance standards beyond what is required by other universities and colleges; this may include an intermediate level sequence of a foreign language, more advanced math and science requirements, and courses in non-U.S. history.

Details on majors and special academic requirements by certain colleges are available from the Transfer Center website: <https://admissions.utk.edu/undergraduate-application/transfer-student/>.

Transfer students and counselors should review the UT catalog (<https://catalog.utk.edu/>) to make sure that they are completing milestones that will facilitate transfer into specific majors.

Students Applying for Transfer Prior to Associate Degree Completion

Transfer applicants from institutions in the University of Tennessee (UT), or Tennessee Board of Regents (TBR) systems, or from one of Tennessee's public universities who have not earned an associate degree but who have been certified by the institution from which they are transferring as having completed all the general education requirements of that institution will have completed Volunteer Core (general education) requirements for the University of Tennessee, Knoxville. They will not be required to take any additional coursework to meet Volunteer Core (general education) requirements at UT Knoxville. Similarly, transfer applicants from institutions in the UT or TBR systems or from one of Tennessee's public universities who have been certified by the institution from which they are transferring as having completed sub-section(s) of general education (e.g., Natural Sciences) at that institution will be credited for completing the same section (if it exists) at UT Knoxville. The acceptance of certified Volunteer Core (general education) completion does not imply that the student has met any other admission or degree requirements at UT Knoxville.

Certification of general education completion must be provided by the institution at which the courses were taken. Certification must occur at the time the student transfers to UT Knoxville. No retroactive certification will be accepted. Acceptance of certified completion of general education began at UT Knoxville in Fall 2011.

Transfer students who complete a minimum of 45 transferrable credit hours prior to matriculation at UT Knoxville and earn an associate degree through the Tennessee Reverse Transfer Program (<https://www.tn.gov/tnreversetransfer.html>) will have fulfilled the Volunteer Core (general education) requirements established by the faculty at UT Knoxville. This policy does not apply to completion of an Associate of Applied Science degree.

Students Applying for Transfer with Completion of an Associate Degree (AA, AS, AFA, AST)

Students who have completed an associate degree in Tennessee or a Tennessee Transfer Pathway will be given priority consideration. International transfer students completing an associate degree under an articulation agreement will be given International admissions priority consideration. However, the admissions process is still competitive and still holistic. Completion of an associate degree or a pathway is not a guarantee of admission to the University of Tennessee, Knoxville, or to a specific program.

Transfer applicants who have earned an Associate of Arts (AA), Associate of Science (AS), Associate of Fine Arts (AFA), or Associate of Science in Teaching (AST) degree will be considered to have fulfilled the Volunteer Core (general education) requirement established by the faculty at UT Knoxville. This policy does not apply to completion of other associate degree types not listed above. This policy applies to any student who enters the UT Knoxville Fall Semester 2025 or later.

NOTE: the [Transfer Credit policy](#) is still applicable for students bringing in these degrees.

Students Applying for Specialized Programs

The University also offers specialized programs that do not result in a baccalaureate degree, including stand-alone undergraduate certificate programs. Current details on the admission requirements and process for these programs can be found at: <https://admissions.utk.edu>.

Non-Degree Student Applicants

A non-degree seeking student is one who wishes to take undergraduate courses, without pursuing a degree, at the University of Tennessee,

Enrollment as a non-degree student does not guarantee admission to the University as a degree-seeking student. Applicants who have been denied admission to UT Knoxville as a degree seeking student for any term or who missed the deadline for submitting a degree-seeking application will not be considered for enrollment as a non-degree student in that same term.

Former degree-seeking students who subsequently wish to take undergraduate courses in a non-degree status must complete the application for Non-Degree students accessible from <https://admissions.utk.edu/apply>.

Non-Degree Students Seeking Degree Status

Students admitted under the undergraduate non-degree classification may not change their status to degree-seeking without submitting the appropriate application and satisfying the admissions requirements for that application type. For specific application and admission requirements, students should contact the Office of Undergraduate Admissions or visit <https://admissions.utk.edu/undergraduate-application/non-degree-seeking-student/>.

College Visiting Student Applicants

A visiting student is one who is enrolled full-time in a degree program at another accredited college or university but who desires to enroll temporarily at the University of Tennessee, Knoxville. Applicants are required to complete the application for College Visiting students, accessible from <https://admissions.utk.edu/apply>, pay the application fee, and submit to the Office of Undergraduate Admissions a letter of good standing or a college transcript showing good academic standing from their college or university.

Readmission Student Applicants

Any student who was last enrolled in a degree seeking traditional campus-based degree program at UT as an undergraduate degree seeking student but who has not continued enrollment for at least one semester (excluding summer) or has withdrawn from the university and wishes to re-enroll must complete and submit the application for Readmission. Any student who was last enrolled in a distanced education based degree program at UT as an undergraduate degree seeking student but who has not continued enrollment for at least seven semesters (excluding summer) or has withdrawn from the university and wishes to re-enroll must complete and submit the application for Readmission. The Readmission application is accessible at: <https://admissions.utk.edu/apply> and includes the readmission application fee. A student who has attended another college or university since attending UT must have an official transcript sent to the Office of Undergraduate Admissions. Readmission applicants who had previously declared a major at UT should carefully review the readmission requirements of their declared college and major.

For specific readmission application deadline dates, students should contact the Office of Undergraduate Admissions or visit <https://admissions.utk.edu/other/readmission/>.

Students applying for readmission following a second academic dismissal must contact the Academic Success Center two semesters prior to their proposed semester of readmission to discuss the second dismissal requirements (see below) and their required meeting with the Undergraduate Council Appeals Committee.

Readmission after Academic Dismissal

Students who have been academically dismissed from UT Knoxville must apply for readmission by June 1 for fall, November 1 for spring, and April 1 for summer. Submitting an application does not guarantee admission.

- **First Academic Dismissal**

A student dismissed for the first time may not be readmitted until after a full semester (not including summer) has elapsed.

- **Second Academic Dismissal**

A student dismissed for the second time will be considered for readmission after one calendar year has elapsed. Students who have been dismissed twice are required to meet with the Undergraduate Council Appeals Committee. Students may be readmitted only when they present evidence that they are capable of performing at the level required to meet university academic standards and completing all degree requirements within a reasonable length of time.

- **Third Academic Dismissal**

After a third dismissal, a student is ineligible to attend the university and may not apply for readmission.

Students who have been dismissed and are readmitted will be required to participate in a special program that emphasizes academic success skills and strategies.

Students who have been academically dismissed and who are readmitted will be dismissed again if they fail to earn a 2.0 minimum term GPA at the end of the first semester after readmission and every semester thereafter until the cumulative GPA reaches a 2.0.

International Student Applicants

All applicants who are not a US citizen or permanent resident are classified as international students whether they are applying to the University of Tennessee, Knoxville, as first-year or transfer students. In addition to the information below, important information for applicants is available from the Office of Undergraduate Admissions (<https://admissions.utk.edu/international/>) and for admitted students from the Center for Global Engagement (<http://international.utk.edu>).

To apply for admission as an undergraduate student, each international student is required to provide the following:

1. A completed application for undergraduate admission, accessible from <https://admissions.utk.edu/apply> or <https://www.commonapp.org/>, and application fee. <https://apply.utk.edu>.
2. Submit official international transcripts
 - a. International First-Year Applicants:

Every country has different educational systems with differing means of evaluating student progress toward completion. Students should submit their official secondary school transcripts, certificates, or exam results whichever would be used in their home country to determine entry to higher education. If submitting transcripts, students should submit all transcripts that show their time in lower and upper secondary school.

A "detailed" or "course-by-course" evaluation including a calculated college Grade Point Average (GPA) is required for all college work completed in a country other than the United States. Applicants who have completed fewer than 24 transferable college credit hours may also be required to submit a secondary school or high school transcript. The evaluation of an applicant's academic record(s) must be completed by an agency that is a member of the National Association of Credential Evaluation Services (NACES). Information concerning these agencies is provided on the web page for transfer applicants at <https://admissions.utk.edu/undergraduate-application/transfer-student/#admission-requirements>. Review of an application will be possible only after receiving the necessary report from the evaluation company.

c. International Readmission Students:

A student who has previously been enrolled at the University of Tennessee, Knoxville, and has subsequently left campus and enrolled in college coursework at a college or university in a country other than the United States must submit a "detailed" or "course-by-course" evaluation through one of the organizations previously mentioned on this page in order to receive credit toward graduation at UT. Readmission applicants who enrolled in a United States college are required to have an official transcript of that work sent by the college to the UT Office of Undergraduate Admissions.

3. Applicants must submit proof of English language proficiency by submitting one of the approved exams listed on the international admission site, <https://admissions.utk.edu/undergraduate-application/international-students/#admission-requirements>. An English exam is not required if a student meets one of the following exceptions:

- a. Completion of the University of Tennessee English Language Institute's (ELI) core intensive curriculum with recommendation from the ELI faculty.
- b. Two semesters or three quarters of college-level English composition with a grade of C or better at a regionally accredited college or university in the United States.
- c. Proof of citizenship of a country from the approved list of official English language nations accessible from <https://admissions.utk.edu/undergraduate-application/international-information/#english-nations>.
- d. Approved high school, college, or university transcript validating English was the language of instruction.

Note: Prospective undergraduate students who meet all admission requirements except for English proficiency requirements will receive a CONDITIONAL ADMISSION to the University. Students who receive a conditional admission will be issued Form I-20 by the UT English Language Institute (ELI) to apply for an F-1 visa. Students who receive a CONDITIONAL ADMISSION must meet English proficiency requirements before being admitted to a degree program, and before being allowed to enroll in non-ESL courses. Conditionally admitted students who wish to enter the U.S. using UT's I-20 must attend the University of Tennessee's English Language Institute (<https://eli.utk.edu/>).

4. Articulation Agreements: International transfer students completing an associate degree under an articulation agreement will be given International admissions priority consideration.

Admitted International Students

After an international student has been offered admission, the student's records will be transferred to the Center for Global Engagement (CGE), which will issue the I-20 form for the admitted student's visa application. CGE offers many other important services to international students including mandatory student orientation programs (<https://international.utk.edu/>).

All F-1 and J-1 visa status students must submit financial documentation. After an offer of admission is made, CGE will provide information concerning the submission of financial documentation, including a completed Financial Support Statement and an official bank statement. If the student is being sponsored by the student's government, an official letter is required from the government stating that it will cover all expenses during the student's academic studies at the University of Tennessee, Knoxville.

A copy of the photo page of the applicant's passport must be sent with the applicant's financial documentation, if it was not submitted with the application for admission.

Admitted international students must take the University of Tennessee, Knoxville, English Placement Exam prior to course registration. This test will determine whether the student needs to take more English courses and, if so, at what level. The English Placement Exam grants no credit. Students admitted to special English courses must enroll the first semester of attendance and stay continuously enrolled in assigned courses until completion of all requirements. A student who has completed 6 credits of college-level English composition with grades of C or better at a regionally accredited college or university in the United States is exempted from taking the UT English Placement Exam.

Advanced Credits - Credit By Exam

First-year or transfer students admitted to the University of Tennessee, Knoxville, may receive course credit on the basis of performance through Advanced Placement (AP), International Baccalaureate (IB) Diploma Program, College-Level Examination Program (CLEP), Cambridge International A/AS-Level, Statewide Dual Credit, and State of Tennessee Specific Industry Certification examinations. All scores must be sent to the Office of Undergraduate Admissions Transfer Center directly from the testing agency. Information is available at <https://admissions.utk.edu/prior-learning-credits/>.

See the Academic Policies and Procedures section on "Credit By Examinations" of this catalog for additional information

Residency Classification for the Purpose of Paying University Fees and for Admission Purposes

Initial residency classification is determined by admissions staff from information submitted on the University of Tennessee, Knoxville, application for Undergraduate Admission. Classification is indicated at the time of admissions on the student's profile on-line. Undergraduate students who would like their residency classification reconsidered may submit an appeal to the residency classification officer listed at <https://registrar.utk.edu/student-residency-classification/>. The application for reclassification with all supporting documentation must be filed no later than the last day of final registration for a full session course in order to have the reclassification effective for the semester. Classification will be determined and the applicant will be notified by email. Additional information regarding the State of Tennessee regulations for classification may be found at the Office of the University Registrar website <https://registrar.utk.edu/student-residency-classification/>.

Rationale

This is the annual update to the [Admission to the University](#) section of the Undergraduate Catalog to reflect current business practices, organizational structures, etc. These changes incorporate academic policy changes only after they were fully approved through the appropriate governance structure (i.e. recognizing out-of-state AA, AS, AFA, AST degrees as having satisfied Vol Core like those from in-state). Several sub-sections remain intact and have been moved to enhance the flow of information. Attached is a full version of the copy of this section for an easier reading experience.

- ☒ UG Curriculum Committee
☐ UG Academic Policy
☒ UG Council
☒ Faculty Senate

Information***BACKGROUND:**

During the 2024-2025 academic year, a new major/degree program in Tickle College of Engineering was approved through MCC -- **Applied Engineering Major, BS in Applied Engineering**. Four concentrations were approved: Applied Aerospace, Applied Computer Science, Applied Manufacturing, and Energy Conversion and Storage.

Four 2025-2026 UG Add Program Links:

[Tickle College of Engineering - Applied Engineering and Technology - Applied Engineering Major, BS in Applied Engineering - Applied Aerospace Concentration | Curriculum](#)

[Tickle College of Engineering - Applied Engineering and Technology - Applied Engineering Major, BS in Applied Engineering - Applied Computer Science Concentration | Curriculum](#)

[Tickle College of Engineering - Applied Engineering and Technology - Applied Engineering Major, BS in Applied Engineering - Applied Manufacturing Concentration | Curriculum](#)

[Tickle College of Engineering - Applied Engineering and Technology - Applied Engineering Major, BS in Applied Engineering - Energy Conversion and Storage Concentration | Curriculum](#)

Upon receiving and reviewing the THEC approval memo (see attachment) and comparing the details to the institutional approvals in MCC, the following discrepancies were noted:

1. THEC approved the Applied Engineering program on July 22, 2025 with the degree designation BSE (BS in Engineering) whereas the institutional approval degree designation was for BS in Applied Engineering.
2. THEC approved the following four concentrations, two of which did not match the exact name of the institutional approvals:
 - a) Aerospace Engineering (compared to Applied Aerospace)
 - b) Applied Computer Science
 - c) Energy Conversion and Storage
 - d) Manufacturing (compared to Applied Manufacturing)

CORRECTIVE ACTION:

1. The Tickle College of Engineering, the Applied Engineering and Technology Department, the Provost's Office and Academic Affairs staff at the UT System, the Office of the University Registrar, Institutional Effectiveness for SACSCOC review, and other administrators communicated, collaborated and agreed on a best solution to match the information contained in the THEC approval memo.
2. The 2025-2026 Undergraduate Catalog program pages for Applied Engineering, BSE were edited to match the information contained in the THEC approval memo.
3. Acknowledgement from the college and department are attached.

Rationale

Regarding the Applied Engineering Major, BSE, and four concentrations -- to inform the Undergraduate Council of the background and steps taken to correct discrepancies noted between the MCC approved proposals and the THEC approval memorandum.

- ☐ UG Curriculum Committee
- ☐ UG Academic Policy
- ☐ UG Council
- ☐ Faculty Senate

Information*

The Global Initiative

Seeking to instill a global perspective in all of its students, the Haslam College of Business challenges undergraduate students to develop the requisite knowledge and skills to prosper in today's global business environment. To help students meet that challenge, the college provides these critical tools – an enhanced core curriculum that covers international business topics in all relevant courses; extraordinary programs for international study and internships; and a unique opportunity to delve into the principles of international business through a collateral or concentration in international business.

Students who choose a major, collateral, or concentration in international business will gain an understanding of how functional strategies are carried out and how to assess business opportunities in other cultures and countries. With the ability to appreciate different political and economic institutions and to scan the broader environment of world events, students will be prepared to succeed in future international assignments in their careers.

Where to Begin: The HUB (Haslam Undergraduate Business)

Undergraduate Programs Office

The mission of the Undergraduate Programs Office is to provide comprehensive academic and educational program planning that promotes integrity and responsibility. The Undergraduate Programs Office, 342 Haslam Business Building, maintains a full-time staff of academic advisors to answer students' questions concerning majors, curriculum, and elective options. Student advising is achieved through these professional advisors and through faculty mentors when students are admitted to a major. While the university's policy requires students to have one mandatory academic planning session per year, the Haslam College of Business considers academic planning to be so critical that we require our students to meet with an advisor every fall and spring semester. To schedule an appointment, sign up online at <https://haslam.utk.edu/undergraduate>.

In addition to advising, the Undergraduate Programs Office provides individual and group educational program planning, management of student data and enrollment information for the college, recruitment and retention, administration of the undergraduate scholarship program, coordination of progression procedures to business majors, and career counseling.

Enrichment Opportunities

Scholarships

A limited number of scholarships are available for highly-qualified students. Students are invited to apply for a Haslam College of Business scholarship. Selection criteria considered for scholarships include academic merit, financial need, and leadership.

To be considered for a scholarship, students must meet the following criteria.

- Unweighted grade point average of 2.75.
- ACT composite score of 23 or SAT combined score of 1050.

Students must complete the Entering Freshman Academic Scholarship Application which can be obtained from UT's Office of Financial Aid and Scholarships, Hodges Library Ground Floor or online at <https://onestop.utk.edu/financial-aid/>, and submit it by the date printed on the application, with the following items.

- A current high school transcript and a current college transcript, if the student is a transfer student.
- ACT or SAT scores.

International Programs and Study Abroad

Several opportunities for study abroad are available to Haslam College of Business students, such as group programs arranged and supervised by the college's departments on a full semester or summer term; direct enrollment, exchange, summer study, international internships; and individualized programs. Students pursuing an International Business major, collateral, or concentration are required to study abroad.

Students planning foreign study must first meet with an advisor in Haslam's Office of International Programs and Study Abroad to discuss curricular issues. All Haslam students studying abroad are required to be enrolled in IB 489 or IB 490.

Off-Campus Study

Recognizing that learning is not restricted to formal classroom situations, students may earn credit towards graduation for approved off-campus study. It may include certain types of work experiences or community involvement. Such study may be undertaken only with prior approval of the department granting credit.

Student Engagement

Haslam's Office of Student Engagement provides students with opportunities to get involved outside of the classroom. From business-focused student organizations, leadership development, mentor programs, and service and volunteerism, there are many ways for students to gain valuable skills and abilities for their future endeavors. Every week, Haslam students receive a college newsletter that outlines all the upcoming events and activities to help them get engaged to make the most of their college experience.

Signature Programs

Smith Global Leadership Scholars

The Smith Global Leadership Scholars Program offered by the Haslam College of Business serves its talented and motivated undergraduate students. The program consists of specified honors classes, seminars in leadership training, international experiences, and extracurricular activities including community service. Taught by a cadre of designated honors faculty and invited guest lecturers, the program promotes the development of international awareness, leadership, and personal and professional growth and responsibility. Upon application, students can be admitted at the end of their first year. Accepted students will be admitted to the major of their choice and will pursue a concentration or collateral in international business.

Course Description

This course will explore the fellowships application process, with particular emphasis on the Fulbright US Student Program. We will discuss the transferable career skills inherent to completing fellowships applications (regardless of outcomes), explore different fellowships, practice strategies for writing about oneself effectively, and enhance the skills necessary to become a stronger performer in interviews.

Statement about Crosslistings:

This section is only for adding a new crosslisting or revising an existing crosslisting. Submit additional proposals to all courses in the crosslisting as needed. Crosslisted courses must be at the same level (100 and 100, etc.). See the Curricular Submission Guide for details.

List all courses in this crosslisting relationship and note whether primary or secondary.

Statement about Vol Core:

If this course is seeking Vol Core approval, please submit through the Vol Core approval process. If this new course is a secondary course or an equivalent course to an already existing Vol Core approved course, the Vol Core committee must be informed.

Course Description

This 1-credit course introduces students to foundational elements of undergraduate research, ethical research conduct, research skills, communication strategies, and professional development. Students will engage in reflective assignments, skill development activities, and plan for the dissemination of research. The course supports students in making meaning of their research experiences and connecting them to academic and professional goals.

Statement about Crosslistings:

This section is only for adding a new crosslisting or revising an existing crosslisting. Submit additional proposals to all courses in the crosslisting as needed. Crosslisted courses must be at the same level (100 and 100, etc.). See the Curricular Submission Guide for details.

List all courses in this
crosslisting relationship and note
whether primary or secondary.

Statement about Vol Core:

If this course is seeking Vol Core approval, please submit through the Vol Core approval process. If this new course is a secondary course or an equivalent course to an already existing Vol Core approved course, the Vol Core committee must be informed.

Equivalency

Rationale*

The undergraduate Research office has created a 1 hour, interdisciplinary course to help students navigate and make meaning of the research experience. Student work to prepare (e.g., how to work with faculty, IRB), process the experience, and make meaning for graduate studies and career readiness.

Students only have access to the course if there is no parallel course option in their college.

Impact on Other Units*

More prepared and added support for undergraduate researchers.

Financial Impact*

None.

New Subject Code: Undergraduate Research, Fellowships, and Service-Learning (URFS)**UG New Prefix/Subject Code****General Catalog Information****College***

Intercollegiate

Department*

Undergraduate Research, Fellowships, and Service-Learning

Title of Proposal*

New Subject Code: Undergraduate Research, Fellowships, and Service-Learning (URFS)

Instructions for Subject Changes

Changing a subject code requires full approval. *New subject codes will be temporarily available in Curriculumlog before full approval, and will only be permanently available after full approval.*

A new subject code must be verified for use before it can be used for new courses. This is done by completing the New Prefix/Subject Code form.

The [Curriculum and Catalog Management team \(CCM\)](#) will research the availability of subject codes, suggest alternatives if necessary, and create a new subject code in the system for use on course forms.

Fill out Drop Course forms for courses that will no longer be active under either subject code.

Fill out Add Course forms for new courses to be active under the new subject code.

Fill out Revise Course forms to revise courses impacted by prefix changes/showing the old prefix if it was replaced by a new prefix through an equivalency.

Fill out Revise Course (Dynamic Changes) forms *and* include equivalent courses listed in this form's equivalency table.

If the course that is being dropped carries a Vol Core designation, the department must notify the Vol Core Committee asking that the equivalent course carry the same designation.

If the old course had attached fees, then the fees for the new course will need to be approved by the Office of Budget and Finance. Please contact the Bursars Office with any questions about these fees. *Approval of fees is not automatic.*

If cross-listed courses are included, all departments affected by the change must be informed so they may update their own courses.

New Prefix/Subject Code* URFS**Full name of New Prefix/Subject Code*** Undergraduate Research, Fellowships and Service-Learning**Equivalency Table***

N/A

An URFS 199: Making Meaning out of Undergraduate Research

will be submitted once a course prefix is available

Rationale

The Undergraduate Research, Fellowships, and Service Learning office will offer a one-credit-hour course for students doing undergraduate research who do not have or are not able to provide a support course in their department or college. The course covers preparation (e.g., how to approach faculty, IRB), support during an experience, and meaning-making for the experience after the experience. We believe this opportunity will bring more prepared Undergraduates to faculty research and help them utilize the experience to be graduate school and career-ready.

Impact on other Units

Support to colleges and departments for prepared UR and is only eligible for students without a parallel curriculum in their college or department. The course will complement college research endeavors.

☒ New course type added to Smartfield in Curriculumlog
☒ New course type added to Item Types in Acalog
☐ New prefix added to Banner
☐ Old courses added as new courses in Banner. New courses should be equivalent to old courses based on equivalency table.

Admin Notes

UG Change Department Name: Department of Psychology and Neuroscience**New, Rename, Move, or Drop Academic Unit****General Catalog Information****College***

College of Arts and Sciences

Title of Proposal* UG Change Department Name: Department of Psychology and Neuroscience

Instructions for Form - Read This First

For DEPARTMENT changes, chancellor's approval is required (via the provost's office), after which, the proposal will move through the normal approval process as an informational item. For DIVISION, COLLEGE, or SCHOOL changes, approval is required from the VP of academic affairs and student success, THEC, and then the BOT, after which the proposal will move through the normal approval process as an informational item.

For ALL academic unit requests, first contact the provosts office and attach the approval documentation to this Curriculog form. Consult section 4.7 in the Curricular Submission Guide for further information about required approval documents.

Please wait until the CCM Team has added/renamed the Department Code in the system before beginning new course or program proposals; fill out Revise Program forms and Revise Course forms for all accompanying programs and/or courses that will need updated as the result of moving, adding, or consolidating academic units.

Level*☒ Undergraduate (UG)☐ Graduate (GR)**What kind of academic unit?***☒ Department☐ Division, College, or School

New Academic Unit

Instructions for New Academic Unit Requests:

Please complete an "Update Approval Tree(s)" form to add users to the new department.

Please complete a "Content and Text Change" form to indicate the correct faculty listing and correct description of the new academic unit.

If the new academic unit will be replacing an old academic unit(s) please indicate which in the "Drop Academic Unit" section below.

New Academic Unit Name**Desired Department Code (4 characters max)****Rationale**

Rename Academic Unit

Renamed Academic Unit Name Department of Psychology and Neuroscience**Desired Department Code (4 characters)** PSYC**Old Academic Unit Name** Department of Psychology

Rationale

The faculty in the Department of Psychology recently (3/26/25) voted to change the name of the department to the Department of Psychology and Neuroscience (33 for the change, 0 against, and 3 abstentions). I am writing to formally request your support of this proposed name change. No other changes to curriculum or major requirements are needed.

Neuroscience has grown steadily over the past 12 years at UTK. Neuroscience began as an interdisciplinary program in the College of Arts and Sciences, with collaboration between the departments of Biochemistry and Cellular and Molecular Biology (BCMB) and Psychology. Under the leadership of then Department Head Deb Welsh, a proposal was approved to formally house the interdisciplinary Neuroscience BS degree in our department beginning in Fall 2019. Enrollment in the Neuroscience BS program has more than doubled from 288 majors in Fall 2019 to 635 majors and 95 minors in Fall 2024.

The name change not only reflects the two majors housed within the department, but also faculty research expertise. The Experimental Ph.D. program has a specialization in Neuroscience and Behavior with five faculty (Baghdoyan, Cooper, Lau, Lydic, and Schulz) whose research falls broadly in the neuroscience domain and who teach some of our neuroscience undergraduate course offerings (in addition to faculty in BCMB).

Rename department is effective for Fall 2025.

Provost Zomchick approval is attached. THEC Notification email is also attached.

Collaborative Leadership for a Changing World

For N/R/S base courses, should this course be:

- ☐ Active
☐ Archived
☐ N/A

Variable Title?*

- ☐ Yes
☒ No

Credit Hours* 1**Course Description**

This course equips students with the mindsets and skills necessary to lead effectively in complex, dynamic, and changing environments. Emphasizing self-awareness, perspective-taking, and coalition-building, students explore how trust, communication, and adaptability shape effective leadership in teams and organizations. Students will examine how leaders navigate uncertainty, engage across differences, and foster collaboration to address real-world challenges. Attention is given to how leadership practices and expectations may vary across international contexts, preparing students to lead with integrity and mobilize others toward shared goals.

Honors First-Year Seminar

Credit Hours* 1**Change course status from
active to:***☐ Dropped☒ Archived**Course Description**

Induction course for students enrolled in University Honors.

**Satisfies Volunteer Core
Requirement:****Statement about Crosslistings**

Only the course under the Subject Code and Course Number listed above on this form will be dropped. If multiple courses in a crosslisting relationship are to be dropped, fill out a separate Drop Course form for each. If dropping a primary course, additional Drop Course OR Revise Course forms will be necessary for ALL secondary courses.

Equivalency**Rationale***

UNHO 101 is no longer offered and is not part of the honors CHP or HALS program minor. It was utilized in a former program that has been sunsetted. Students take the common FYS induction course with honors student sections, with content about honors rather than a course offered by University Honors.

Impact on Other Units*

Response to impact report:

-1794 program no longer exists

-Chancellors Honors Program and Haslam Leadership Scholars is within the University Honors unit (do not take UNHO 101)

-University Exploratory Programs are managed by the Center for Career Development and Academic Exploration (CCDAE) in the Division of Student Success (until they declare a major and move to a college). Jenny Ward in CCDAE is the Director of that program and I included an email from her.

-I also attached an email from Liem Tran acknowledging this for the two versions of Exploratory programs in A&S

-Unsure what UTrack blank form is?
