DIRECTORY
TENNESSEE MUNICIPAL
OFFICIALS

1954

Prepared by the
MUNICIPAL TECHNICAL ADVISORY SERVICE
DIVISION OF UNIVERSITY EXTENSION
THE UNIVERSITY OF TENNESSEE

Bobbie Reed, Editor

In cooperation with the
TENNESSEE MUNICIPAL LEAGUE

FOREWORD

This 1954 Directory of Tennessee Municipal Officials, the tenth issue of the directory series, is published by the Municipal Technical Advisory Service, in cooperation with the Tennessee Municipal League, for distribution to all towns and cities of the state.

The information in this directory was, for the most part, compiled from questionnaires sent to all cities. Although every effort has been made to make the entry for each city complete and correct, for some thirty cities that did not return questionnaires it was necessary to rely upon latest information available in our files.

Comments and suggestions as to how future issues of the Directory can be further improved will be appreciated. They may be sent either to

Herbert J. Bingham
Executive Secretary
Tennessee Municipal League

or

Victor C. Hobday
Executive Director
Municipal Technical
Advisory Service

To all city recorders and other officials who have contributed information we are deeply grateful. Without the willing and prompt cooperation of these officials, publication of the directory would have been difficult, if not impossible.

GUIDE TO USE OF THIS DIRECTORY

After the name of each city is the county name, in parenthesis, in which the city is located. After the county name is a letter showing in which grand division of the state the city is located, East, Middle, or West. Next is the fiscal year ending date; for example, "F. Yr. 5/31" means the fiscal year ends May 31. There follows the date of the next election; for example, "Elec. 5/55" means the next election will be in May, 1955. The last entry on this line is the telephone number, if reported, of the city hall or other office.

For each city that furnished the requested information, on the second line is shown the time and place of the meetings of the governing body. On the third line is shown any closing of city offices (other than the usual Saturday afternoon and Sunday) if this information was reported.

Population data are presented on the following two pages; on one in alphabetical order and on the other in descending order according to population. These population figures are as of July 1, 1954, as used by the State of Tennessee for distributing State-shared taxes; in most cases they are 1950 census figures, but some reflect annexations since that time.

Municipal elections in Tennessee are held throughout the year, and changes are therefore constantly occurring. Each month new officials are announced in Tennessee Town & City magazine, the official organ of the Tennessee Municipal League. The magazine is sent free to municipal officials; others desiring to subscribe may do so by remitting the yearly subscription price of \$3.00 to the League office, 228 Capitol Blvd., Nashville 3, Tennessee.

A key to the abbreviations used for position titles is given below.
