Mr. Marvin Peek, Coordinator
Black Studies
1629 Melrose Avenue
Campus

Dear Marvin:

This is just a note to thank you, Mike, and Bill for taking time to share with me your concerns about the Task Force on Blacks. I appreciate very much your wish to make the work of this group as productive as possible. Toward this end, I'm certain your leadership will be exceedingly useful, and I encourage you to be as active as possible in the Task Force's deliberations and actions. Mr. Liston, as chairperson, will welcome your talents and good judgment, I'm certain.

I know your visit was motivated by genuine concern for Black students, faculty, and staff, and I assure you that your concerns are shared by many throughout the campus community. By working together in a spirit of cooperation and good will, I'm certain these concerns can be the foundations of much progress and improvement.

It was a pleasure to talk with all three of you.

Sincerely,

Archie R. Dykes
Chancellor
