This Creative Written Work is brought to you for free and open access by the UT Writes: A Celebration of UT Writing at TRACE: Tennessee Research and Creative Exchange. It has been accepted for inclusion in UT Writes 2009-10 by an authorized administrator of TRACE: Tennessee Research and Creative Exchange. For more information, please contact [trace@utk.edu](mailto:trace@utk.edu).

It coagulates.  
It circulates.  
It rushes from top to bottom  
from eyes to ears  
and fingertips to duck lips  
flows from belly button to peach fuzzed nips.

The melody-  
The thump thump  
and the lub-dub, lub dup

Filled with harmony-  
A tweak of dissonance.  
A serge of energy.

A pause-  
A giggle and grunt.  
At mezzo forte,  
it's staccato, staccato  
to build through the crescendo.  
With a bang and a thud,  
fortississimo!  
Splashes and squirts.  
We've tasted it,  
euphoria.

Decrescendo-  
the pianissimo  
brings us to realize  
that this blood,  
it burns underneath  
our skin.  
Pours through  
our blood veins,  
absorbs all of  
our brain waves.

Overtaking all of  
our dreams,  
we fade to a  
delicate, innocent, dynamic  
resolution.
