MEMORANDUM

TO: Deans, Directors, and Department Chairmen
FROM: R.W. Boss, Director of Libraries RWB
SUBJECT: Minority Recruitment Information

At the request of the Chancellor the Reference Department at the Main Library is assembling information to aid U.T. departments and schools seeking women and minority group faculty.

In addition to directories and other materials published commercially and by government agencies, the Library is soliciting information from specialized institutes, centers, councils, and conferences which provide information on the availability of candidates in the various disciplines. Statistical information on women and minority employment is also being assembled.

The bank of information cannot yet be considered comprehensive, but the reference staff will welcome the opportunity to search existing files and solicit additional data to meet expressed needs.

The Reference Department extension is 4171.
