I. Introduction: The meeting began with Chair Stefanie Ohnesorg explaining to the committee the role of the Academic Policy Committee and the process for obtaining archived reports of this committee.

II. 5-year Dual Bachelor’s/Master’s Programs. Stefanie Ohnesorg noted that SACSCOC new policy expands the interpretation of Core Requirement 2.7.1 and expects institutions with combination (dual) programs to meet or exceed the credit hour thresholds in the standard for the degrees awarded (e.g., regardless of the number of hours taken at the graduate level and applied to the baccalaureate degree, the total hours must reflect a minimum of 120 for the bachelors and 30 for the masters for a total of 150 hours - with no double dipping). There was agreement that in a future meeting a proposal would be discussed to add that requirement to the UT Graduate Catalog.

III. On-line Graduate Catalog. There was discussion regarding the need to make changes in wording and in the placement of information to produce a more user-friendly Graduate Catalog. Stefanie Ohnesorg pointed to the explanation provided of the Graduate Certificate Program as an example of where additional clarity is needed. The committee agreed to discuss the matter further at a future meeting.

IV. Academic Leave Policy: Committee members discussed the need to follow up on the new Graduate Student Leave of Absence Policy to evaluate the extent to which students understand the policy and address any problems that develop. There was also interest in further discussion of a Family and Medical Leave policy for graduate students. Jessica Welch, Graduate Student Senate President, stated that she would discuss with the Graduate Student Senate what action they might take to implement a Family and Medical Leave Policy.

The next meeting of the Academic Policy Committee is scheduled for October 2, 2014. (Minutes taken by Pat Freeland)
Present: Stephen Kania (Chair), Chad Autry, Amy Broemmel, Joshua Fu, John Nolt, James Larson (proxy for Svetlana Zivanovic), Lawrence Townsend (voted, not present).

ATTACHMENT 3
Graduate Deans’ Group
Thursday, August 28, 2014, 2:00 – 3:30 p.m.
University Center, Room 220

Attending:
Bruce Behn, Ernest Brothers, Joy DeSensi (Chair), Patricia Freeland, Mary Gunther, Diana Hall for Catherine Luther, Carolyn Hodges, Yvonne Kilpatrick, Sandy Leach, Brent Mallinckrodt, Lisa Mullikin, Stefanie Ohnesorg, Masood Parang, Carol Parker, David Patterson for Sherry Cummings, John Stier, and Dixie Thompson

The Graduate Deans’ Group meeting was called to order by Joy DeSensi, on Thursday, August 28, 2014, at 2:00 p.m. in the University Center, Room 220.

1. Joy DeSensi welcomed the members and introductions were made.

2. The Graduate Deans’ Group minutes April 17, 2014 were approved.

3. Review of Graduate Deans’ Group Responsibilities – Joy DeSensi

The Graduate Deans’ Group serves two specific roles or functions. First, the Group provides advice and counsel from an administrative perspective to the Graduate Council and its committees through the Associate Dean of the Graduate School on issues and policies related to graduate education and operations of the Graduate School. Second, members of the Group function to insure that information accruing from actions of the Graduate Council flows back to the individual academic units for implementation.

4. Update of Graduate School Activities – Orientations – Joy DeSensi

- On Thursday, August 14, 2014 the Graduate School’s New Graduate Teaching Assistant/Associate Orientation was held in the University Center’s Auditorium. There were approximately 411 graduate teaching assistants/associates in attendance. A panel comprised of former Best Practices in Teaching Program graduate students made presentations on Preparing a Good Syllabus, International Graduate Student Perspectives, and Issues in the Classroom. They also held a question and answer session. The program was very well received.

- Approximately 59 graduate students are enrolled for the Graduate School’s Best Practicing Program for fall 2014, which begins on Wednesday, September 10, 2014. This program is a seven-week seminar on various topics regarding teaching. Graduate students who attend six out of seven classes and complete a teaching portfolio receive a certificate. The program is also available during spring semester.

- The Graduate Student Senate and the Graduate School held a Graduate Student Orientation on Tuesday, August 12, 2014 from 8:00 a.m. – 1:00 p.m. in the University Center’s Auditorium. The orientation began with a continental breakfast, then the program, and ended with a boxed lunch in the University Center’s Ballroom. Materials from offices around campus were displayed on tables around the UC’s Ballroom and representatives from each office/organization were available to answer questions.

- Sandra Leach, Associate Dean and Professor, Library, shared information on the Library Open House which was held from 1:00 p.m. to 2:30 p.m. in Hodges Library. Approximately 200 graduate students and faculty were in attendance. The Open House displayed information on the library services. Some of the services available to students
and faculty include delivery of books and journals, reserving books, scanning on demand, on-line catalog, interlibrary services, scanning and emailing the document to the student or faculty member, and other services. The Graduate Deans’ Group discussed ways to better advertise this open house for the future.

5. **Graduate Student Leave Policy, Beginning of Year Reminders, Proposed Changes for Thesis/Dissertation Approval Sheet (Research Compliance)** – Carolyn Hodges

Carolyn Hodges discussed new graduate student policies (leave of absence and continuous enrollment) and reminded the graduate associate deans about requirements for the following existing policies: graduation deadlines; grades of incomplete; probation and dismissal; Graduate Assistant, Graduate Research Assistant, and Graduate Teaching Assistant work assignments and additional pay. (Attachment # 1)

6. **Update on Graduate Admissions** – Yvonne Kilpatrick

Yvonne Kilpatrick updated the group on several activities the Office of Graduate Admissions engaged in over the course of Spring and Summer 2014. These included working with other student services department to organize the process of identifying veteran graduate applicants who may be eligible for in-state classification, hosting a reflective event in which faculty, staff, and representatives from CollegeNet reflected on the strengths and weaknesses of the 2013-14 admission cycle, and working collaboratively with departments and Center for International Education to conditionally admit 21 international students to, first, study at the English Language Institute before beginning coursework in their academic programs.

Yvonne distributed the admission and enrollment data for fall 2014. At Day 7 of the fall 2014 14-day count, enrollment of first-time students increased 2.2% over fall 2013. She noted four areas for colleges and departments to consider as opportunities for recruitment:

1. Applicants who began applications but did not complete the applications.
2. Applicants who submitted applications but did not submit all required documents.
3. Applicants who met the minimum requirements to be admitted to Graduate School but formal decisions were not reported by departments.
4. Applicants who were admitted and enrolled but dropped their courses (or their courses were dropped by the Registrar’s Office for non-payment) at the time of required fee payment.

In regard to # 3, above, Yvonne requested that the graduate deans interested in more details, e-mail her and she would provide additional information. Suggestions from the graduate deans were as follows:

1. Contact the Directors of Graduate Studies to discuss # 3.
2. Send reminder notices to Directors of Graduate Studies.
3. Provide more decisions options or a place for the departments to provide more information about the status of an applicant if the department was continuing to recruit the student beyond the normal time that decisions are made.

It was noted that there was an error in the calculation for one of the distributed data charts. Following the meeting Yvonne discovered she omitted the category, “Officially Declined Admission” from the UT Graduate Fall 2014 Status of Applications, Day 7 chart. Adding this category to the chart corrected the error that was noted during the meeting.

7. **Update on Assistant Dean Search** – Carolyn Hodges/Joy DeSensi

The Graduate School is nearing the end with the search for the Assistant Dean of the Graduate School.
8. **Other**

The next Graduate Deans’ Group meeting will be on Thursday, October 23, 2014, 2:00 p.m. to 3:30 p.m. in the University Center, Room 220.

Meeting Dates: January 22, 2015  
February 12, 2015  
March 26, 2015

With no further business, the meeting was adjourned at 3:35 p.m.
