Dear Judy and Betty:

I will be happy to arrange a meeting between representatives of the Commission on Blacks and the Commission on Women with the Search Committees for deans' positions in Education and Liberal Arts. The assistance of the Commissions in exploring the need, availability and opportunity to hire well qualified, minority persons would be most welcome.

In Business Administration, I hope to establish a search process in mid-September. I will arrange a similar meeting as soon as the committee is established.

Cordially yours,

Walter Herndon
