Ms. Marilyn Horhn
1st Vice Chairperson, AASLF
University Center #349
University of Tennessee, Knoxville

Dear Ms. Horhn:

I have tried to reach you unsuccessfully several times this week - hence, this correspondence. Dr. Aldmon and I would like to reconvene the Executive Committee of the AASLF in order to discuss the problems you raised in our meeting of August 12, 1976. After much discussion with staff we have identified some approaches to the problem of space scheduling that we believe to be workable.

Please notify my secretary, Ms. Hyder, when you determine a time or times which are convenient.

Sincerely,

Philip A. Scheurer
Dean of Student Activities
