RE: Interim Report

I have just finished reading the report that will be sent to Chancellor Reese. It is a very good report. I would like to share a few comments with you.

- (1) The format is good.
- (2) The content is expressive of the hard work that went into it.
- (3) Table one (page 9) is a little confusing to me, perhaps a brief discussion can alter the confusion.
- (4) Table two (page 11) is inadequate, there should be two tables, one for applied and one for admitted.
- (5) Barbara Reid is referred to as an Associate Dean of Student Affairs (page 23), is that correct?
- (6) University of Tennessee, Knoxville is abbreviated using two different styles; namely UTK and UT-K.
- (7) At the beginning of Part II (page 32), there is a COB in the first line, what does this mean?
- (8) Will I be allowed to see the confidential material at some time in the future?

Let me add that I have enjoyed serving on the Commission under your leadership. Hopefully, I will be able to budget my time so that I can attend more of the meetings this year. As you know, I do have a busy schedule.
