Dear Stan:

Thank you for your letter of October 7.

Your kind words are most appreciated. My time here has been pleasant and rewarding and I do feel that I have been able to make some positive contribution. On the other hand, the opportunity at the University of Illinois looks very promising and I feel that I must give it a try. Getting to know you and having the opportunity to work with you have been among the most pleasant of my experiences here. I hope it will be possible for us to stay in touch in some way.

The Minority Scholarship and Assistance Fund is indeed an active project. Gifts should be sent directly to this office and designated for the Minority Scholarship Fund, account number 399-8273. UTK faculty and staff can arrange for payroll deductions on a regular basis to this fund. A letter or memorandum signed by the donor asking that this be done should be sent to this office for handling. If you have further questions, or need additional information, please let me know.

Stan, I would like to take this opportunity to thank you for the many kindnesses you have extended and I hope if I can ever be of any assistance, you will let me know.

Sincerely,

J. Barry Brindley
