MEMORANDUM

TO: Dr. Betty Cleckley
Chairperson, Commission on Blacks

FROM: Philip A. Scheurer *PAS*

DATE: August 3, 1976

RE: Survey Instrument

This correspondence is to confirm our recent phone conversation concerning activity of the Subcommittee on Student Life.

John Morrow, Dennie Littlejohn and I had a very encouraging meeting with Dr. Jack Haskins of the Communications Research Bureau on Friday, July 30, 1976. At that time it was agreed that Haskins would begin to search the literature and to initiate development of a survey instrument to be used in the Fall Quarter. He understands that we want comparative data and he has agreed to submit a draft of the proposed survey instrument for review by our Subcommittee and by the Commission in the early Fall Quarter. He further agreed that he would provide us with a financial estimate in the early Fall.

I feel that we are now on the right track and going full steam ahead.
