Dear Betty:

During the past two years, Dr. Ohmer Milton and Dr. Ralph Norman have sponsored a series of Faculty Luncheon Seminars through their offices-- The Learning Research Center and Academic Affairs, respectively. They have charged me with the task of developing and coordinating the program for a seminar on "Issues in the American University: Their Impact on Minority Student Learning." This faculty luncheon seminar is scheduled for noon, Thursday, April 14, in The University Center Ballroom. These seminars are usually well attended by some 200 department heads, directors, deans, and staff and faculty persons.

I am asking you to participate on the program for the April 14 luncheon seminar. Enclosed you will find a copy of the proposed program. I would like for you to prepare a brief (5 minutes maximum) presentation on the topic to which you have been assigned. I have tried to assign you a topic in which you have special expertise.

Please let me know by March 14, if you can participate in this program. I anticipate your response.

Yours sincerely,

*Pat*
