MEMORANDUM

TO: Dr. Betty Cleckley, Associate Dean, School of Social Work
FROM: Ronald W. Belfon *RWB*
SUBJECT: Commission Agenda Item.

An item which I think need be included in the list of priorities which the commission plans to tackle is the prognosis for continued existence and administrative support (or lack thereof) of the U. T. Knoxville Black Cultural Center. The Center's capabilities might not coincide with campus expectation of what it can provide. Perhaps Mr. Littlejohn will be able to provide us with background concerning the evolution of the center and give us some idea of what opportunities or limitations might exist in the operation of the center.
