Dear Ms. Cleckley

In keeping with its purpose of providing the utmost service to the University's Black community. The Black Cultural Center is providing you with a complete list of all the Black student and faculty organizations on campus. This list, it is hoped, will provide a means of viable communications between the various organizations.

Also the center would like to request of you a one page outline of the purpose and function of your organization and any other information pertaining to your organization that would help us to provide you with continuing service.

Sincerely yours,

DENNIE H. LITTLEJOHN
