INTERNATIONAL STUDENT AFFAIRS

Once again, UTK has violated its own International student guidelines evaluation. The guidelines recommends that not more than 5% of the total foreign enrollment be composed of students from any one country and a limit of not more than 75 students be enrolled from a particular country. The following non-black nations exceeded the limit: Malaysia, Venezuela, Iran, India and Korea. My only concern is ~~whether~~ ~~if~~ whether UTK would allow such oversight to any country from the Continent of Africa and Islands.

UTK International Student Affairs ~~does not empl~~ has no blacks in their payroll.
