Dear City Official:

This 1986-87 Directory of Tennessee Municipal Officials is the 42nd issue in the directory series. It is compiled from information submitted by the state's 334 municipal governments. Every effort has been made to make the entries current, complete, and correct. However, for cities that did not submit updated data, it was necessary to rely upon the latest information in the MTAS files.

For those of you that are not acquainted with MTAS, it is an organization funded by the State Legislature through the budget of The University of Tennessee and by the cities of the state. MTAS currently has twenty-eight professional, full-time consultants working out of six locations across the state. The maps included in this publication show the territorial assignments for our municipal management, finance, public works, and wastewater management consultants. Additionally, MTAS has specialist consultants in the areas of municipal law and ordinance codification, microcomputer applications, information resources, inter-governmental relations, personnel management, special projects and research, and, soon to be added, a public safety consultant and an environmental management consultant. These staff members provided approximately 7,000 different services for Tennessee cities in fiscal year 1985-86.

We are grateful to all city officials who contributed information for the Directory. Without your cooperation, publication of the Directory would not be possible. I would like to recognize the MTAS staff persons who contributed significantly to the accuracy and completion of the Directory: Joe Walsh, Assistant to the Director; Elaine Nall, Utility Management Administrative Assistant; Carol Hewlett, Information Resources Consultant; Debe Linn, Word Processing Specialist; and Deborah G. Phillips, Communications and Publications Specialist, Institute for Public Service.

Copies of the directory are available on a complimentary basis to officials of all Tennessee municipalities and on a limited basis to state government offices and public libraries. Others wishing to obtain the Directory may do so on a prepaid basis. A monthly-updated version of the Directory is available also on a prepaid subscription basis. We also publish changes in city officials in the Tennessee Town & City newspaper.

Comments and suggestions regarding the Directory's use and improvement are welcomed.

Sincerely,

C. L. Overman
Executive Director
Municipal Technical Advisory Service

MTAS: an agency of UT's statewide public service and continuing education organization, operated in cooperation with the Tennessee Municipal League

1. Under the name of each city is its address, zip code, and principal phone number.

2. At the far right is the date of the city's election, the county in which the city is located, a letter (E, M, or W) for the grand division of the state in which the city is located, and the city's population.

3. Below the solid line is: (a) the time and place of meetings of the governing body and, (b) any days the city offices are closed.

4. If phone numbers for departments differ from the principal city number, this information appears in the department listing.

5. Refer to page xxxii, KEY TO DIRECTORY ABBREVIATIONS, for translation of title abbreviations.
