Dear Jack:

In response to your memorandum of January 27, 1977 concerning the CFB's representation on the Advisory Committee for the Search For Vice Chancellor for Business and Finance, I would like to recommend the following persons for your consideration:

Clifton Woods
Luther Kindall
Barbara Reid
Marvin Peek

I understand that only one representative will be selected from this list. Will you kindly let me know which member you choose?

In addition, I would suggest that your office forward information about the position to Dr. Stewart Taylor, Textron, 40 Westminster Street, Providence, Rhode Island. I believe Dr. Taylor knows qualified persons to recommend to you.

Thank you for your consideration.

RE: Advisory Committee to the Chancellor

As I mentioned to you earlier, I would like for you to recommend 3 or 4 persons who could represent the Commission for Blacks on an advisory committee for the search for a Vice Chancellor for Business and Finance. I will select one of these persons to serve on the committee. I would sincerely appreciate having these names as soon as possible.

Again, let me emphasize that I am not necessarily setting a precedent in requesting a representative from the Commission for purposes of this search. In my view, each search process should be tailored to the nature of the position and the expectations of the people who will be working with that individual.

A position announcement is enclosed for your review.

Thank you.
