Dean, College of
Veterinary Medicine

Campus

Dear Bill:

I am enclosing for your review a copy of the minutes of The Commission for Blacks' January 11 meeting, which you and Assistant Dean Grau attended. In addition, I am enclosing a copy of my letter to Chancellor Jack Reese, Vice Chancellor Luke Ebersole, and Vice President John Prados. The correspondence is consistent with the position that The Commission for Blacks took with regard to helping the College of Veterinary Medicine with the recruitment of Blacks.

By meeting with Drs. Prados and Mays we hope to stimulate further interest in various aspects of the College of Veterinary Medicine's minority recruitment problems.

I might mention also that the Commission for Blacks is eager to hear about your meeting with the local Black veterinarians. In this regard, I wonder if you would forward to me your written impressions of the meeting in order that I might share them with the Commission.

I look forward to hearing from you and will keep you informed of the Commission's efforts with respect to the College of Veterinary Medicine's minority recruitment concerns.

Sincerely,

Betty J. Cleckley
Chairperson,
The Commission for Blacks
