Re: MS in Business Cybersecurity - Notification

Dear Kevin,

Please accept this letter as notification of a new program, the Master of Science in Cybersecurity degree, beginning August 23, 2023.

This program will enroll students online only, initially, and may also be offered face-to-face on the main campus at a later date. The new content in this program is 25-49%, which makes notification the appropriate action.

Please contact me with any questions you may have regarding this agreement.

Sincerely,
