The Black Faculty and Staff Association (BFSA) at The University of Tennessee, Knoxville, was founded in 1973 to provide a forum for discussing issues of concern to African-Americans at UTK. The BFSA promotes a broad understanding of national as well as local issues in higher education that directly impact faculty, staff and students of color at UTK. The BFSA seeks to find linkages as to how those issues affect the Knoxville community. Through working with university and community entities, conducting candid discussions, and sponsoring development workshops, the BFSA strives to ensure a positive and productive environment for all people.

We look forward to seeing you!

Sincerely,

THE BFSA EXECUTIVE COMMITTEE:
