Intended Implementation date:

**8/23/2023**

Case ID:

**SC021449**

As a reminder—should these sites (or others) begin or expand offerings such that 50% or more of a program is offered at the site—off-campus instructional sites that require approval must be approved by extensive review if (1) the institution has less than two sites already approved by extensive review -OR- (2) the institution is on Substantive Change Restriction. If the institution has two or more sites already approved by extensive review and the institution is not on Substantive Change Restriction, the institution is eligible for OCIS approval by limited review. Please refer to the *Substantive Change Policy and Procedures* for additional guidance.

**We accept notification of the University of Tennessee Medical Center and the Cherokee Farms off-campus instructional sites (OCISs).**

Should you need assistance, please contact Dr. J. Matthew Melton at (404) 679-4501 or via email at [mmelton@sacscoc.org](mailto:mmelton@sacscoc.org).

Please include the Case ID number above in all submissions or correspondence about this substantive change.

Sincerely,

Kevin W. Sightler, Ph.D.  
Director of Substantive Change
