Re: Notification – BS in Innovative Transdisciplinary Studies

Dear Kevin,

Please accept this letter as notification of a new program, the Bachelor of Science in Innovative Transdisciplinary Studies, beginning August 19, 2024.

The BS in Innovative Transdisciplinary Studies is the result of transitioning curriculum from an interdisciplinary program concentration into a stand-alone program, with new course content of 25-49%. This program will be offered face-to-face on the main campus.

Please contact me if you need more information.

Sincerely,

Heather Hartman
