President H.A.Morgan,  
University of Tennessee,  
Knoxville, Tenn.

Dear Morgan:

I have recently received a clipping from the Knoxville Sentinel of April 7 suggesting a situation at the University both surprising and painful to me. In a purely personal way, because of my affection for the institution and yourself, I am venturing to write this note in the hope that you may see fit to furnish me some information from your side of the fence. I should dislike to think that a spirit of intolerance which seems to manifest itself very readily in these days has seized either yourself or the governing body of the University, but it is merely for my own peace of mind that I am writing this letter of inquiry.

With cordial regards, I am,

Yours very truly,

RMO:GT
