Re: Notification –Graduate Certificate in Energy Policy

Dear Kevin,

Please accept this letter as notification of a new program, a graduate certificate in Energy Policy, beginning August 19, 2024.

The certificate is the result of transitioning curriculum from the previous Master of Public Policy and Public Administration program into a concentration and optional stand-alone program, with new course content of 25-49%. This program will be offered face-to-face on the main campus and online.

Please contact me if you need more information.

Sincerely,

A handwritten signature in black ink, appearing to read 'Heather Hartman'.
