Dr. H. A. Morgan,
President U. of Tenn.
Knoxville Tenn.

Dear Dr. Morgan,

I beg to express
my admiration for the
noble position you
have taken for the
truth in excluding
from the course of
studies in the University
such books as would

tend to undermine the faith of the students in the teaching of God's words.

I trust no unwise, misguided criticism or other opposition will prevent you from providing sound Christian instruction for the young people of our country. I heard one say, who loved the right, that he rejoiced that a man of your Christian integrity was made President of the University of Tenn., because its teaching would be guided along correct lines.

Pardon this intrusion, but I feel impelled to speak.

Yours in sincerity

Mrs. R. G. Waterhouse
