Supplement to Black Student Attitude Survey

1. Do you feel that The University of Tennessee at Knoxville campus has been responsive enough to create an environment which will eventually lead to college graduation?
2. Do you think that the low percentage of black graduates is attributed to the low faculty make-up at UTK?
3. Are you still experiencing social and cultural isolation at UTK?
4. Do you feel that the UTK has developed a provocative stance toward admission of black students?
5. Do you feel the recognition of intangible criteria such as motivation, commitment, and other personality factors as being relevant for retention and graduation of minority students?
6. What problem areas relate to academic factors that affect minority students retention at UTK?
7. Are there support services or functions within your major or college department?
8. Have you ever withdrawn from the University?
9. Have you ever been placed on disciplinary probation?
