TO: Dr. Betty Cleckley

SUBJECT: Black & White Student Opinion Survey
DATE: April 26, 1977

This is to bring you up to date on the progress of the Black and White Student Opinion Survey. The interviews and the majority of the hand tabulation have been completed at this time. I anticipate having the results to you in table form by Monday, May 2. The tables will consist of the frequency of responses by percentage for each question. A written report with cross-tabulations between the Black and the White samples will be prepared and submitted to you by May 11.

Dr. Haskins and I would like to meet with you shortly after you receive the data in table form to discuss the results with you and to determine any additional cross-tabulations you may desire. Please call me and let me know when it would be convenient for you to meet with us. Also, feel free to call if you have any questions. Thank you.
