1977-78 Estimate of
State-Shared Taxes
Based on Available Information
May 30, 1977

The State Legislature appropriated \$6,000,000 for Emergency Street Aid to be used for the sole purpose of repairing last year's severe winter street damage. This money is supposed to be distributed to cities in June of 1977 and will amount to about \$2.44 per capita. This money should be treated as General Fund revenue. For those cities which have not spent or obligated these funds as of June 30, 1977, it is our recommendation that these funds be set aside in a "Reserved" account when your books are closed this fiscal year. These funds would then be available for next year's appropriations.
