A new bus shelter, widened sidewalk and arcade foster a more pedestrian atmosphere along Broadway. A public square for large or more formal events anchored by a ramp and amphitheater on the north east corner at the intersection of Broadway and Central, which mediate between the levels. Small and pedestrian friendly, Tyson street is a pleasant threshold. Gently rolling terrain shaded by old gnarly trees marks Old Gray as a unique and meditative park space marked by history and time, a reminder of the fragility and beauty of life.
