RE: Substantive Change at the University of Tennessee, Consortial Agreement with University of Padua

Dear Dr. Wheelan:

This is follow-up to a substantive change reported in a letter dated May 9, 2012 (see attached copy). We received a response on May 30, 2012 (see attached copy) indicating action will be deferred until a signed copy of the agreement was obtained and shared with your office. We received the signed agreement (a copy is attached). These were emailed on October 9, 2012. We are now sending by hardcopy to ensure that the materials are received and reviewed by the appropriate staff member.

We trust this will allow for final action by your office.

Sincerely,

Mary Lewnes Albrecht, Ph.D.
Associate Vice Chancellor
