We take great pleasure in introducing to you the University of Tennessee Lawyers of the Future. As a prospective employer your consideration is of tremendous value to our Career Planning and Placement Program.

The students in our eighty-nine-year-old law school are very well prepared for the practice of law as well as for careers in business, teaching and public service. In 1978 we received 1,057 applications: 567 in-state, 490 out-of-state. With a median of 602 LSAT and 3.43 undergraduate G.P.A. as a profile to combine with each individual's unique personal qualifications, ours is a student body of which we are justly proud. In the coming year we expect to graduate approximately 200 students and, in addition, we will have an equal number of second year students, many of whom will be seeking opportunities for summer clerkships.

If you are interested in interviewing on campus during the coming school year, we will be delighted to send resumes for your selection, arrange a schedule, and provide parking here at the College of Law. Fall Quarter begins September 19th. If you do not choose to participate in the recruitment program on campus but would like to hear from some of our students, may we have information about your organization and your hiring practices for our Career Planning and Placement files? Resumes from interested students are available at your invitation. Please do not hesitate to call Eleanor R. Nelson, Career Planning and Placement Director, at (615) 974-4348 for further information.

We welcome the opportunity of working with you in the future toward the possible fulfillment of both the hiring needs of your organization and the placement needs of our students. May we work together for our mutual benefit.

With this goal in mind, the ongoing activities include workshops in interviewing skills and resume writing, scheduling on-campus interviews, attending out-of-state hiring conferences, and coordinating all law-related employment opportunities, whether with law firms, corporations, insurance companies or government agencies.
