The University of Tennessee, Knoxville does not discriminate on the basis of race, sex, color, religion, national origin, age, handicap, or veteran status in provision of educational opportunities or employment opportunities and benefits.

UTK does not discriminate on the basis of sex or handicap in the education programs and activities which it operates, pursuant to the requirements of Title IX of the Education Amendments of 1972, Pub. L. 92-318; and Section 504 of the Rehabilitation Act of 1973, Pub. L. 93-112; respectively. This policy extends to both employment by and admission to the University.

Inquiries concerning Title IX and Section 504 should be directed to the Office of the Vice Chancellor for Planning and Administration, 525 Andy Holt Tower, 974-4391. Charges of violation of the above policy should also be directed to the Office of the Vice Chancellor for Planning and Administration.
We take great pleasure in introducing to you the University of Tennessee Lawyers of the Future. As a prospective employer your consideration is of tremendous value to our Career Planning and Placement Program.

The students in our ninety year old law school are very well prepared for the practice of law as well as for careers in business, teaching and public service everywhere.

Approximately 97% of University of Tennessee students accepted employment upon graduation from the 1978-79 classes. While 72% remain in Tennessee, approximately 28% accepted offers from law firms beyond Tennessee.

In the coming year we expect to graduate approximately 200 students and in addition, we will have an equal number of second year students, many of whom will be seeking opportunities for summer clerkships.

We welcome the opportunity of working with you in the future toward the fulfillment of both the hiring needs of your organization and the placement needs of our students.
The College of Law provides career counseling and placement services to meet the needs of the student who is looking for his/her first clerkship, the recent graduate who is beginning a legal career, and the alumnus who is seeking a career change. With this goal in mind, the ongoing activities include workshops in interviewing skills and resume writing, scheduling on-campus interviews, attending out-of-state hiring conferences, and coordinating all law-related employment opportunities, whether with law firms, corporations, insurance companies or government agencies.

The on-campus interview has proven to be the most successful and fiscally sound method for recruitment for small and large firms. Although on-campus interviewing is scheduled throughout the year, the fall is traditionally the time in which the attentions of law firms and law schools are especially focused on the recruitment process.

Small firms can benefit from coming on-campus during the fall of 1980 to interview 1981 graduates and/or to interview 2nd. year students for a full time summer 1981 clerkship in anticipation of a possible 1982 opening. Clerkship programs provide a small firm with an opportunity to get to know and employ the services of an enthusiastic and energetic law student who in turn gains invaluable experience and knowledge of the firm.

Large firms, who coordinate comprehensive summer clerkship programs and who are aware of their benefits, can participate in the Fall Interview Season of 1980 with the knowledge that University of Tennessee students are very interested in full time summer clerkships.

If you are interested in interviewing on campus during this fall season, which begins September 29th, we will be delighted to send resumes for your selection and to coordinate an interview schedule.

Firms and agencies who do not wish to participate in on-campus interviews may list their employment opportunities with our office. We will be glad to collect resumes of interested students and forward them to you.

We do request that any firm or agency who desires to use the services of our office forward a resume containing information relating to scope of practice or business, recruitment procedures and other pertinent information.

Your successful recruitment process can begin today in a time-effective and cost-effective manner by contacting Sandy O'Rourke, Acting Director, Office of Career Planning and Placement, The University of Tennessee College of Law, 1505 W. Cumberland Avenue, Knoxville, Tennessee 37916 (615) 974-4348.

SANDY O'ROURKE
