Advisory Committee

SUBJECT: Critique of Fall Networker

Because this was my first quarter as editor of The Networker, I felt I needed to elicit some constructive criticism about the strengths and weaknesses of the fall issue. I also want suggestions of topics, issues, events, etc. which you think should be included in the upcoming issues.

To make your task easier I have included a questionnaire for you to fill out and return to my office at 2012 Lake Ave. In addition to the questionnaire, I would also like to meet with the committee in early January to discuss your ideas and suggestions. I will contact you later about a date and meeting time.
