Mr. Hardy Liston
Associate Vice-Chancellor for Academic Affairs
112 Administration Building
Campus

Dear Mr. Liston:

I am very pleased to be a member of the Task Force on Blacks, and I believe that our meeting last Friday afternoon was a good initial meeting for all parties in attendance. The Task Force has an important job ahead of us, and I only hope that we can accomplish all that we set out to do.

In accordance with your request for areas of concern that the Task Force should study, I feel the following areas need investigation and improvements in order to meet the needs of Blacks on this campus:

Student:
1. Student Activities
2. Counseling/Guidance
3. Job Placement
4. Entrance requirements for undergraduates/graduates
5. Housing, both on-campus and off-campus
6. Academic areas, such as Black Studies, etc.
7. Scholarships for minority groups
8. Athletics

Faculty, staff, and Administration:
1. Recruitment and retention of Negro faculty
2. Research
3. Curriculum
4. Support

I feel that part of these studies can be made until our next
meeting. Let us all work together to improve the situation.

Sincerely,

I would like to get together with you sometime during the next week and discuss the topics for our meeting of February 16. I will not be able to attend this meeting, as I have a prior engagement to speak in Atlanta which was accepted last quarter; I hope the Task Force will understand.

Nevertheless, I hope to talk to you in the next couple of days and hope this list of possible areas to study is sufficient.

Sincerely,
