Ms. Sandra Bobinski  
Mr. Raphael Trento  
Raphael and Sandy’s

Dear Ms. Bobinski and Mr. Trento:

In reviewing the note payment statement I sent you for the May payment of $2,000, I found an apparent error; it appears that $497.84 should have been applied to interest and $1,502.16 to principal.

Your first payment was in August 1984 and included interest through August. The $815 per month payments from September 1984 through December 1985 paid interest through December 1985. The January 1986 payment of $17,815 was applied to principal. The February $815 payment included interest for 1/1/86 to 2/1/86. The March payment of $3,815 was applied to principal but should have had a portion applied for interest (for 2/1/86 to 3/1/86). The April payment of $815 included interest for 3/1/86 to 4/1/86; therefore, the May payment of $2,000 should have included interest for 4/1/86 to 5/1/86.

After you review the above explanation, please let me know if you agree or if you find any errors. I will then prepare a corrected May statement. A new amortization schedule will also be prepared.

I am sorry for this error and hope that once we resolve this matter, we will have no more problems.

Very truly yours,

Carolyn R. Trusler  
Trust Officer

Dear Ms. Bobinski:

This letter is to confirm our telephone conversation of yesterday regarding the payoff of your note with the University. The total amount due is $1,409.20 ($1,376.24 principal plus $32.96 interest).

When we receive the check (cashier or certified), I will give you a receipt for the check, the promissory note marked paid, the trust deed, and a trust deed release which has been executed on behalf of the University. The legal office has informed me that you will need to take the Trust Deed Release to the Knox County Register of Deeds (in the City and County Building) to have it recorded; this will remove the legal cloud from the title.

I am enclosing a map of the University area. You should stop at the Campus Information Center (#14 on the map) and tell them you have business with the Treasurer's Office. They will give you a pass to park on Circle Park. If you should arrive after the information center is closed, it will be all right for you to park on Circle Park without a pass. Near the flag pole on Circle Park there are steps and a walkway which goes between two buildings (#84 on the map). Walk along this walkway to the Andy Holt Tower (#4 on the map). Once inside the Tower, go through the double glass doors and you will be in the Treasurer's Office. Ask one of the receptionists for me.

I will be expecting you around 4 o'clock on Wednesday, May 4. As I mentioned on the phone, I usually leave at 4:30. If you find you cannot be here before 4:30, please call me and I will wait for you.

Very truly yours,

Re: Trust Deed Release

In 1984 Sandra K. Bobinski and Raphael Trento purchased 24 Market Square from the University and signed a promissory note in the amount of $67,500. They wish to pay off the remaining principal balance of $1,376.24 plus interest next week with a certified check and receive a trust deed release at the same time. David has no problems with handling the payoff this way.

Enclosed are copies of the trust deed and the promissory note. Please prepare the trust deed release and let me know if you need any additional information.

The plans are for the payoff to occur on next Wednesday. I would appreciate having the release at that time.

TRUST DEED

This Deed of Trust made this 26th day of July, 1984, between SANDRA K. BOBINSKI and RAPHAEL TRENTO of Knox County, Parties of the First Part, and THE UNIVERSITY OF TENNESSEE, a public educational corporation of the State of Tennessee, having its principal offices in Knoxville, Tennessee, Trustee and Party of the Second Part.

WITNESSETH:

That the said First Parties, for and in consideration of the sum of One Dollar ($1.00) the receipt of which is hereby acknowledged, and other good and valuable consideration, hereinafter mentioned, do hereby grant, bargain, sell, transfer, and convey unto the Second Party the following described premises:

A certain tract or parcel of land in the Fourth Civil District of Knox County, Tennessee, and more fully described as follows:

All that lot or parcel of ground lying in the Fourth (formerly First) Civil District of Knox County, Tennessee, fronting twenty-five (25) feet on the east side of Market Square in the City of Knoxville, being city numbers 24 and 24-1/2 Market Square Mall and running back or Eastwardly between parallel lines about one hundred and twenty (120) feet to the alley running East of and parallel with Market Square and being the same property that was conveyed to Benjamin Rush Strong by W. K. Eckle by deed dated the 20th day of September, 1880 and recorded in the office of the Register of Knox County, Tennessee in Book 3, pages 190 and 191 to which deed reference is here made for fuller description of said property.

BEING the same property conveyed to The University of Tennessee by Hu L. McClung and W. E. Monday, Executors of the Will of Benjamin Rush Strong by deed dated the 8th day of January 1920 and recorded in the office of the Register of Knox County, Tennessee in Book 312 on page 322.
with the hereditaments and appurtenances thereto appertaining, hereby releasing all applicable claim to homestead and dower therein. TO HAVE AND TO HOLD the said premises to the said Second Party, its successors in trust and assigns forever for the purposes hereinafter set forth.

And said Parties of the First Part, for themselves and for their heirs, executors, administrators and assigns, do hereby covenant with the Second Party, its successors in trust and assigns, that they are lawfully seized in fee simple of the premises above conveyed, and have full power, authority, and right to convey the same, and that said premises are free from all encumbrances, except those of record, and that they will forever warrant and defend the said premises and the title thereto against the lawful claims of all persons whomsoever.

BUT THIS INSTRUMENT is made in trust to the second party for the uses and purposes following, that is to say: whereas First Parties are indebted to The University of Tennessee in the principal sum of Sixty-Seven Thousand Five Hundred Dollars ($67,500.00) plus interest evidenced by a Promissory Note of even date and due as follows: Principal sum of Sixty-Seven Thousand Five Hundred Dollars ($67,500.00) with interest thereon, at thirteen and one-half per cent per year in installments of Eight Hundred Fifteen Dollars ($815.00) per month, commencing on the 15th day of August, 1984, with payments due on the 15th day of each succeeding month for a period of Five (5) years until the 15th day of July, 1989, when all of the balance plus unpaid interest shall be due and payable. Said balance shall be Sixty-Two Thousand Seven Hundred Seventy-One and Sixty-Eight Hundredths Dollars ($62,771.68) provided that all other installments have been promptly and properly paid.

Should the Trustee herein, or the beneficiary hereof or both be made a party to any suit at law or equity involving the premises herein conveyed, said Trustee or beneficiary, or both shall be awarded reasonable expenses, charges and attorneys' fees on account of such proceedings, and the same shall be a
further charge and lien upon said premises and enforced in the same manner as the principal obligation secured by this trust deed.

NOW, THEREFORE, if the said Parties of the First Part, their heirs, executors, administrators, or assigns shall pay to The University of Tennessee, its agents, successors, or assigns, the full amount of the indebtedness above mentioned, with interest thereon when the same shall become due and payable as set forth, and keep all the taxes on the within conveyed property paid promptly as they become due, and keep all buildings in good repair, and shall not commit waste on said premises, then these presents and the estate hereby conveyed shall cease and become void. Should the Parties of the First Part fail to pay any of the said taxes the beneficiary hereunder, or the representatives or assigns of said beneficiary, may pay any such taxes, and any such amounts, together with interest from the date of payment, shall be fully secured by this Deed of Trust, and in addition to this protection, the payment of said amounts shall not be a waiver of the right of said beneficiary, or the representatives or assigns of said beneficiary, to foreclose and enforce this Deed of Trust. If default be made in the payment of the above mentioned indebtedness, or any part thereof, or the interest thereon as it becomes due, or the taxes as they become due, or in the performance of any of the terms, or conditions of this Trust Deed, or of the Note secured hereby, then the whole sum of money hereby secured may, at the option of the holder of said indebtedness, be declared due and payable at once and this Trust Deed foreclosed and the Trustee hereunder or its successors, at the request of the beneficiary hereunder or the representatives or assigns of said beneficiary, after giving notice of the time and place of sale by publication of such at least three different times in some newspaper published in Knox County, Tennessee, the first of which
publications shall be at least twenty days previous to said sale, and on the day and at the front door of the County Courthouse in Knox County, Tennessee, being the place fixed, between the hours of 10:00 a.m. and 2:00 p.m. shall proceed to sell the property and premises above described or conveyed at public auction for cash and in bar of the right and equity of redemption, homestead, dower, and all other rights and exemptions of every kind, all of which are hereby waived and surrendered, and said Trustee shall apply the proceeds from such sale: (1) First, to the payment of all costs and expenses of such sale, including a fee of Ten Percent (10%) to the attorney or Trustee; said attorney or Trustee's fees and expenses shall become absolutely due and payable whenever foreclosure is commenced; (2) Second, to the payment of the indebtedness above mentioned and interest thereon, including any and all advances made under the terms thereof with interest thereon; (3) Third, the surplus, if any, to the parties legally entitled thereto.

Upon default as herein provided, said Trustee and owner of the indebtedness secured hereby may at its option, instead of foreclosing this Trust Deed, by advertisement and sale as hereinabove provided, institute appropriate proceedings of foreclosure in equity or at law and upon the institution of such proceedings shall upon application therefore without notice either be entitled to have a receiver appointed to take possession of the property hereby conveyed and said Trustee and owner shall be entitled to all of the rents issued and profits arising therefrom during dependency of any such foreclosure proceedings.

As further security for the payment of said note the Parties of the First Part agree to keep the building(s) now standing or which may be hereafter erected on the above property, insured against loss by fire and windstorm in some
insurance company or companies to the approval of the Party of the Second Part, in an amount not less than the outstanding balance of the indebtedness of the promissory note and assign to the Party of the Second Part all such policy or policies of insurance.

And the Parties of the First Part hereby covenant that they will deposit all policies of fire insurance covering the above property with the Party of the Second Part, its successors and assigns, to be held as long as this loan is in force, and a violation of this covenant gives the Party of the Second Part, its successors, and assigns the right to foreclose this loan.

And should the Parties of the First Part fail to effect such insurance in the amount named above, then the Party of the Second Part, its successors, and assigns, is hereby authorized to effect the same, and the amounts paid for premiums shall be come a lien on the above property, and bear interest from the date of payment, and their payment may be enforced in the manner herein provided for enforcing the payments of the aforesaid note.

Should the property conveyed by this instrument be involved in any insolvency, receivership, bankruptcy either voluntary or involuntary, or other proceedings affecting the possession of said property, it is further covenanted and agreed that the Trustee and owner of the indebtedness secured hereby shall be entitled to all of the rents, issues, and profits realized from such proceedings whether there be a default under this Trust Deed as above provided or not. The said Parties of the First Part further agree that in case of any sale hereunder they will at once surrender possession of the said property and will from that moment become and be the tenants at will of the purchaser, and removable by process as upon a forceable and unlawful detainer suit hereby agreeing to pay the said purchaser the reasonable rental value of said premises after such sale.
In case of the death, absence, inability, failure, or refusal of the Trustee named herein or any successor Trustee to act at any time when demand for such action is made by the owner of the indebtedness, hereby secured, then such owner is authorized to appoint a successor Trustee to execute this Trust Deed which appointment shall be in writing and recorded in the office of the Register of Deeds of Knox County, Tennessee, and such appointment shall vest the title to said premises in and clothe such successor Trustee with all the powers granted to the Trustee named herein and the exercise of such right of appointment shall not be an exhaustion thereof but may be exercised as often as the owner of said indebtedness may desire. The Party of the Second Part is hereby released from the obligations imposed by statute and it is agreed that said Party and beneficiary hereof in case of any sale of said property shall be at liberty to bid and buy as any third person might.

Qualifications and bond under the statute are hereby waived.

Dear Ms. Bobinski and Mr. Trento:

Your trust deed covering your note with the University requires you to keep the property insured in an amount not less than the outstanding balance of the note and to assign to the University such policy.

The insurance on the property expired on July 30, 1987. It is imperative that we receive notification immediately that the University is named as mortgagee on another policy and that we receive a certificate of insurance to such effect as soon as possible.

This matter is of the utmost importance, and I will expect to hear from you soon.

Very truly yours,

   “Premises” means the interior of that portion of any building at a location designated in the declarations which is occupied by the insured in conducting the business as stated therein.
   “Messenger” means the insured, a partner therein or an officer thereof, or any employee thereof who is in the regular service of and duly authorized by the insured to have the care and custody of the insured property outside the premises.
   “Custodian” means the insured, a partner therein or an officer thereof, or any employee thereof who is in the regular service of and duly authorized by the insured to have the care and custody of the insured property within the premises, excluding any person while acting as a watchman, porter or janitor.
   “Guard” means any male person not less than seventeen nor more than sixty-five years of age who accompanies a messenger by direction of the insured, but who is not a driver of a public conveyance.
   “Robbery” means the taking of insured property (1) by violence inflicted upon a messenger or a custodian; (2) by putting him in fear of violence; (3) by any other overt felonious act committed in his presence and of which he was actually cognizant, provided such other act is not committed by an officer, partner or employee of the insured; (4) from the person or direct care and custody of a messenger or custodian who has been killed or rendered unconscious; or (5) under Coverage A, (a) from within the premises by means of compelling a messenger or custodian by violence or threat of violence outside the premises to permit entry into such vault or such safe and any vault containing the same, when all doors thereof are duly closed and locked by all combination locks thereon, provided such entry shall be made by actual force and violence, of which force and violence there are visible marks made by tools, explosives, electricity or chemicals upon the exterior of (a) all of said doors of such vault or such safe and any vault containing the same, if entry is made through such doors, or (b) the top, bottom or walls of such vault or such safe and any vault containing the same through which entry is made, if not made through such doors, or (2) the felonious abstraction of such safe from within the premises.
   “Loss” includes damage.

3. Ownership of Property; Interests Covered
   The insured property may be owned by the insured, or held by the insured in any capacity whether or not the insured is liable for the loss thereof, or may be property as respects which the insured is legally liable; provided, this insurance applies only to the interest of the insured in such property, including the insured's liability to others, and does not apply to the interest of any other person or organization in any of said property unless included in the insured's proof of loss.

4. Joint Insured
   If more than one insured is named in the declarations, the insured first named shall act for every insured for all purposes of this endorsement. Knowledge possessed or discovery made by any insured shall constitute knowledge possessed or discovery made by every insured.

5. Books and Records
   The insured shall keep records of all the insured property in such manner that the Company can accurately determine therefrom the amount of loss.
3. Limits of Liability; Settlement Options

The limit of the Company's liability for loss shall not exceed the applicable limit of liability stated in the declarations, nor what it would cost at the time of loss to repair or replace the property with other of like kind and quality, nor as respects securities the actual cash value thereof at the close of business on the business day next preceding the day on which the loss was discovered, nor as respects other property the actual cash value thereof at the time of loss; provided, however, the actual cash value of such other property held by the insured as a pledge, or as collateral for an advance or a loan, shall be deemed not to exceed the value of the property as determined and recorded by the insured when making the advance or loan, nor, in the absence of such record, the unpaid portion of the advance or loan plus accrued interest thereon at legal rates.

The applicable limit of liability stated in the declarations is the total limit of the Company's liability with respect to all loss of property of one or more persons or organizations arising out of any one occurrence. All loss incidental to an actual or attempted fraudulent, dishonest or criminal act or series of related acts at the premises, whether committed by one or more persons, shall be deemed to arise out of one occurrence.

The Company may pay for the loss in money or may repair or replace the property and may settle any claim for loss of property either with the insured or the owner thereof. Any property so paid for or replaced shall become the property of the Company. Any property recovered after settlement of a loss shall be applied first to the expense of the parties in making such recovery, with any balance applied as if the recovery had been made prior to said settlement, and loss readjusted accordingly. The insured or the Company, upon recovery of any such property, shall give notice thereof as soon is practicable to the other.

Subject to the other provisions of this condition, any payment made by the Company because of loss under Coverage C shall reduce the applicable limit of liability, provided the amount of such reduction shall be reinstated upon approval of the vault or safe by the Company.

7. Insured's Duties When Loss Occurs

Upon knowledge or discovery of loss or of an occurrence which may give rise to a claim for loss, the insured shall: (a) give notice thereof as soon is practicable to the Company or any of its authorized agents and also to the police if the loss is due to a violation of law; (b) file detailed proof of loss; duly sworn to, with the Company within four months after the discovery of loss.

Upon the Company's request, the insured and every claimant hereunder shall submit to examination by the Company, subscribe the same, under oath if required, and produce for the Company's examination all pertinent records, all at such reasonable times and places as the Company shall designate, and shall cooperate with the Company in all matters in loss or claims with respect thereto.

8. Other Insurance

If there is any other valid and collectible insurance which would apply in the absence of this endorsement, the insurance under this endorsement shall apply only as excess insurance over such other insurance; provided, the insurance shall not apply (a) to property which is separately described and enumerated and specifically insured in whole or in part by any other insurance; or (b) to property otherwise insured unless such property is owned by the insured.

9. Action Against Company

No action shall lie against the Company unless, as a condition precedent thereto, there shall have been full compliance with all the terms of this endorsement, nor until ninety days after the required proofs of loss have been filed with the Company.

10. Changes

Notice to any agent or knowledge possessed by any agent or by any other person shall not effect a waiver or a change in any part of this endorsement or estop the Company from asserting any right under the terms of this endorsement, nor shall the terms of this endorsement be waived or changed, except by endorsement issued to form a part of this endorsement, signed by a duly authorized representative of the Company.

11. Assignment

Assignment of interest under this endorsement shall not be valid except with the written consent of the Company; if, however, the insured shall die, this endorsement shall cover the insured's legal representative as insured; provided that notice of cancellation addressed to the insured named in the declarations and mailed to the address shown in this endorsement shall be sufficient notice to effect cancellation of this endorsement.

It is agreed that the provisions of the policy captioned "LIMITS OF LIABILITY" relating to Bodily Injury Liability and Property Damage Liability are amended to read as follows:

**LIMITS OF LIABILITY**

Regardless of the number of (1) insureds under this policy, (2) persons or organizations who sustain bodily injury or property damage, or (3) claims made or suits brought on account of bodily injury or property damage, the company’s liability is limited as follows:

**Bodily Injury Liability and Property Damage Liability:**

(a) The limit of liability stated in the Schedule of this endorsement as applicable to "each occurrence" is the total limit of the company’s liability for all damages including damages for care and loss of services because of bodily injury and property damage sustained by one or more persons or organizations as a result of any one occurrence, provided that with respect to any occurrence for which notice of this policy is given in lieu of security or when this policy is certified as proof of financial responsibility under the provisions of the Motor Vehicle Financial Responsibility Law of any state or province such limit of liability shall be applied to provide the separate limits required by such law for Bodily Injury Liability and Property Damage Liability to the extent of the coverage required by such law, but the separate application of such limit shall not increase the total limit of the company’s liability.

(b) Subject to the above provision respecting "each occurrence", the total liability of the company for all damages because of all bodily injury and property damage which occurs during each annual period while this policy is in force commencing from its effective date and which is described in any of the numbered subparagraphs below shall not exceed the limit of liability stated in the Schedule of this endorsement as “aggregate”:

1. all property damage arising out of premises or operations rated on a remuneration basis or Contractor’s equipment rated on a receipts basis, including property damage for which liability is assumed under any incidental contract relating to such premises or operations, but excluding property damage included in subparagraph (2) below;

2. all property damage arising out of and occurring in the course of operations performed for the named insured by independent contractors and general supervision thereof by the named insured, including any such property damage for which liability is assumed under any incidental contract relating to such operations, but this subparagraph (2) does not include property damage arising out of maintenance or repairs at premises owned by or rented to the named insured or structural alterations at such premises which do not involve changing the size of or moving buildings or other structures;

3. if Products—Completed operations insurance is afforded, all bodily injury and property damage included within the completed operations hazard and all bodily injury and property damage included within the products hazard;

4. if Contractual Liability Insurance is afforded, all property damage for which liability is assumed under any contract to which the Contractual Liability Insurance applies.

Such aggregate limit shall apply separately:

(i) to the property damage described in subparagraphs (1) and (2) and separately with respect to each project away from premises owned by or rented to the named insured;

(ii) to the sum of the damages for all bodily injury and property damages described in subparagraph (3); and

(iii) to the property damage described in subparagraph (4) and separately with respect to each project away from premises owned by or rented to the named insured.

(c) For the purpose of determining the limit of the company’s liability, all bodily injury and property damage arising out of continuous or repeated exposure to substantially the same general condition shall be considered as arising out of one occurrence.

V. EXTENSIONS OF COVERAGE

Except with respect to Extension D. Replacement Cost:

(A) Each of the limits of liability specified for the following Extensions of Coverage applies as an additional amount of insurance.

(B) The Coinsurance Clause shall not apply to loss under the Extensions of Coverage.

The total amount recoverable under the Extensions of Coverage in this form and Extensions of Coverage in any other form made a part of this policy are not cumulative and shall not exceed the largest amount recoverable under any single form made a part of this policy.

When, in accordance with the Other Insurance condition, there is Contributing Insurance, the Company shall not be liable for more than its pro rata share of the limits set forth in the following Extensions of Coverage.

A. Newly Acquired Property: The insured may apply up to 25% of the limit of liability specified for Building(s), but not exceeding $100,000, to cover direct loss in any one occurrence by a peril not otherwise excluded to the following described property:

1. New buildings and new structures being constructed on the designated premises and intended for similar occupancy when not otherwise covered by insurance. This coverage shall cease 30 days from the date construction begins or on the date the values of new construction are reported to the Company, or on the expiration date of the policy, whichever occurs first.

2. Buildings acquired by the insured at any location, elsewhere than at the designated premises, within the territorial limits of this policy and used for similar occupancies or warehouse purposes. This coverage shall cease 30 days from the date of such acquisition or on the date values of the buildings are reported to the Company, or on the expiration date of the policy, whichever occurs first.

Additional premium shall be due and payable for values so reported from the date construction begins or the property is acquired.

B. Off-Premises: The insured may apply up to 2% of the limits of liability specified for Building(s), but not exceeding $5,000, at a described location to cover direct loss in any one occurrence by a peril not otherwise excluded to property covered under Building(s) while removed from designated premises for purposes of cleaning, repairing, reconstruction or restoration. This Extension of Coverage shall not apply to property in transit, nor to property on any premises owned, leased, operated or controlled by the insured.

C. Outdoor Trees, Shrubs and Plants: The insured may apply up to $1,000 to cover outdoor trees, shrubs and plants at the designated premises against direct loss in any one occurrence by the perils of fire, lightning, explosion, riot, civil commotion or aircraft, but only to the extent such perils are insured against herein. The Company shall not be liable for more than $250 on any one tree, shrub or plant, including expense incurred for removing debris thereof.

D. Replacement Cost: In the event of loss to a building structure covered under this policy when the full cost of repair or replacement is less than $1,000, the coverage of this policy is extended to cover the full cost of repair or replacement (without deduction for depreciation). Coverage shall be applicable only to a building structure covered hereunder, but excluding outdoor furniture, outdoor equipment, floor coverings, furnishings and appliances for refrigerating, ventilating, cooking, dishwashing and laundering, all whether permanently attached to the building structure or not.

The Company shall not be liable under this Extension of Coverage unless the whole amount of insurance applicable to the building structure for which claim is made is equal to or in excess of the amount produced by multiplying the coinsurance percentage applicable (specified in the Declarations) by the actual cash value of such property at the time of the loss.

If a peril insured against ensues on the designated premises, this Company will pay only for loss caused by the ensuing peril.

C. Loss caused by, resulting from, contributed to or aggravated by any of the following:

1. earth movement, including but not limited to earthquake, landslide, mudflow, earth sinking, earth rising or shifting;

2. flood, surface water, waves, tidal water or tidal wave, overflow of streams or other bodies of water, or spray from any of the foregoing, all whether driven by wind or not;

3. water which backs up through sewers or drains; or

4. water below the surface of the ground including that which exerts pressure on or flows, seeps or leaks through sidewalks, driveways, foundations, walls, basement or other floors, or through doors, windows or any other openings in such sidewalks, driveways, foundations, walls or floors; unless fire or explosion as insured against ensues, and then this Company shall be liable for only loss caused by the ensuing fire or explosion: but these exclusions shall not apply to loss arising from theft.

5. volcanic eruption unless direct loss by fire or breakage of glass or safety glazing material ensues. In this event, this Company shall be liable for only the direct loss to the property insured caused by the ensuing fire and if an insured peril, the ensuing breakage of glass or safety glazing material.

Volcanic eruption means the eruption, explosion or effusion of a volcano.

D. War Risk and Governmental Action Exclusion as contained in the SMP Policy Conditions and Definitions Form.

E. Nuclear Clause and Nuclear Exclusion as contained in the SMP Policy Conditions and Definitions Form.

2. This policy does not insure under this form against loss caused by:

A. wear and tear, deterioration, rust or corrosion, mould, wet or dry rot; inherent or latent defect; smog; smoke; vapor or gas from agricultural or industrial operations: mechanical breakdown, including rusting or bursting caused by centrifugal force; settling, cracking, shrinking, bulging or expansion of pavements, foundations, walls, floors, roofs or ceilings; animals, birds, vermin, termites or other insects; unless loss by a peril not otherwise excluded ensues and then the Company shall be liable for only such ensuing loss.

If loss by water not otherwise excluded ensues, this policy shall also cover the cost of tearing out and replacing of any part of the building covered required to effect repairs to the plumbing, heating or air conditioning system or domestic appliance from which the water escapes, but excluding loss to the system or appliance from which the water escapes:
B. explosion of steam boilers, steam pipes, steam turbines or steam engines (except direct loss resulting from the explosion of accumulated gases or un consumed fuel within the firebox, or combustion chamber, of any fired vessel or within the flues or passages which conduct the gases of combustion therefrom) if owned, leased by or operated under the control of the insured, or for any ensuing loss except by fire or explosion not otherwise excluded, and then the Company shall be liable for only such ensuing loss; 

C. vandalism, malicious mischief, theft or attempted theft, if the building had been vacant or unoccupied beyond a period of 30 consecutive days immediately preceding the loss, unless loss by a peril not excluded in this policy ensues, and then the Company shall be liable for only such ensuing loss; nor shall this exclusion be applicable to such unoccupancy as is usual or incidental to the described occupancy; 

D. leakage or overflow from plumbing, heating, air conditioning or other equipment or appliances (except fire protective systems) caused by or resulting from freezing while the building is vacant or unoccupied, unless the insured shall have exercised due diligence with respect to maintaining heat in the buildings or unless such equipment and appliances had been drained and the water supply shut off during such vacancy or unoccupancy; 

E. theft (including but not limited to burglary and robbery) of any property which at the time of loss is not installed or attached to and made a part of a building or structure (except direct loss by pillage and looting occurring during and at the immediate place of a riot or civil commotion), unless loss by a peril not excluded in this policy ensues from theft or attempted theft, and then the Company shall be liable for only such ensuing loss; 

F. unexplained or mysterious disappearance of any property, or shortage disclosed on taking inventory, or caused by any willful or dishonest act or omission of the insured or any associate, employee or agent of any insured; 

G. continuous or repeated seepage or leakage of water or steam from within a plumbing, heating or air conditioning system or from within a domestic appliance which occurs over a period of weeks, months or years; 

H. collapse, except as provided above in the Collapse Additional Coverage. If a peril not otherwise excluded ensues on the described premises, this Company will pay only for loss caused by the ensuing peril. 

3. This policy does not insure under this form against loss occasioned directly or indirectly by any electrical injury or disturbance to electrical appliances, devices, fixtures or wiring caused by electrical currents artificially generated unless fire as insured against ensues, and then this Company shall be liable only for loss caused by the ensuing fire. 

4. This policy does not insure against loss caused by any of the following. However, any ensuing loss not excluded or excepted in this policy is covered. 

A. Weather conditions. However, this exclusion only applies if weather conditions contribute in any way with a cause or event excluded in paragraph 1 above to produce the loss; 

B. Acts or decisions, including the failure to act or decide, of any person, group, organization or governmental body: 

C. Faulty, inadequate or defective:  
   1. planning, zoning, development, surveying, siting; 
   2. design, specifications, workmanship, repair, construction, renovation, remodeling, grading, compaction; 
   3. materials used in repair, construction, renovation or remodeling; or 
   4. maintenance; of part or all of any property on or off the described premises. 

VIII. VALUATION 

The following bases are established for valuation of property: 

All property at actual cash value at the time of loss, but not exceeding the amount which it would cost to repair or replace the property with material of like kind and quality within a reasonable time after such loss, nor in any event for more than the interest of the named insured.

TO: Mr. Beach Brogan
FROM: John M. Preston
SUBJECT: Amendment to Lease - 24-24½ Market Square Mall

The University has a lease on the subject property with Ed Pierce and wife, Sue Pierce. The Pierces assigned the lease to Sandra Bobinski and Raphael Trento. This assignment was contrary to our lease since we did not give our permission in writing.

We are now selling the property to Sandra Bobinski and Raphael Trento. Therefore, we would like to cancel the lease so that Bobinski and Trento do not have to pay rent to themselves, through George Fritts.

I will fill in the dates when we close the sale.

SANDRA K. BOBINSKI

RAPHAEL TRENTO
TRUST DEED

This Deed of Trust made this 26th day of July, 1984, between SANDRA K. BOBINSKI and RAPHAEL TRENTO of Knox County, Parties of the First Part, and THE UNIVERSITY OF TENNESSEE, a public educational corporation of the State of Tennessee, having its principal offices in Knoxville, Tennessee, Trustee and Party of the Second Part.

WITNESSETH:

That the said First Parties, for and in consideration of the sum of One Dollar ($1.00) the receipt of which is hereby acknowledged, and other good and valuable consideration, hereinafter mentioned, do hereby grant, bargain, sell, transfer, and convey unto the Second Party the following described premises:

A certain tract or parcel of land in the Fourth Civil District of Knox County, Tennessee, and more fully described as follows:

All that lot or parcel of ground lying in the Fourth (formerly First) Civil District of Knox County, Tennessee, fronting twenty-five (25) feet on the east side of Market Square in the City of Knoxville, being city numbers 24 and 24-1/2 Market Square Mall and running back or Eastwardly between parallel lines about one hundred and twenty (120) feet to the alley running East of and parallel with Market Square and being the same property that was conveyed to Benjamin Rush Strong by W. K. Eckle by deed dated the 20th day of September, 1880 and recorded in the office of the Register of Knox County, Tennessee in Book U, Vol. 3, pages 190 and 191 to which deed reference is here made for fuller description of said property.

BEING the same property conveyed to The University of Tennessee by Hu L. McClung and W. E. Monday, Executors of the Will of Benjamin Rush Strong by deed dated the 8th day of January 1920 and recorded in the office of the Register of Knox County, Tennessee in Book 312 on page 322.
with the hereditaments and appurtenances thereto appertaining, hereby releasing all applicable claim to homestead and dower therein. TO HAVE AND TO HOLD the said premises to the said Second Party, its successors in trust and assigns forever for the purposes hereinafter set forth.

And said Parties of the First Part, for themselves and for their heirs, executors, administrators and assigns, do hereby covenant with the Second Party, its successors in trust and assigns, that they are lawfully seized in fee simple of the premises above conveyed, and have full power, authority, and right to convey the same, and that said premises are free from all encumbrances, except those of record, and that they will forever warrant and defend the said premises and the title thereto against the lawful claims of all persons whomsoever.

BUT THIS INSTRUMENT is made in trust to the second party for the uses and purposes following, that is to say: whereas First Parties are indebted to The University of Tennessee in the principal sum of Sixty-Seven Thousand Five Hundred Dollars ($67,500.00) plus interest evidenced by a Promissory Note of even date and due as follows: Principal sum of Sixty-Seven Thousand Five Hundred Dollars ($67,500.00) with interest thereon, at thirteen and one-half per cent per year in installments of Eight Hundred Fifteen Dollars ($815.00) per month, commencing on the 5th day of August, 1984, with payments due on the 5th day of each succeeding month for a period of Five (5) years until the 5th day of July, 1989, when all of the balance plus unpaid interest shall be due and payable. Said balance shall be Sixty-Two Thousand Seven Hundred Seventy-One and Sixty-Eight Hundredths Dollars ($62,771.68) provided that all other installments have been promptly and properly paid.

Should the Trustee herein, or the beneficiary hereof or both be made a party to any suit at law or equity involving the premises herein conveyed, said Trustee or beneficiary, or both shall be awarded reasonable expenses, charges and attorneys' fees on account of such proceedings, and the same shall be a
further charge and lien upon said premises and enforced in the same manner as the principal obligation secured by this trust deed.

NOW, THEREFORE, if the said Parties of the First Part, their heirs, executors, administrators, or assigns shall pay to The University of Tennessee, its agents, successors, or assigns, the full amount of the indebtedness above mentioned, with interest thereon when the same shall become due and payable as set forth, and keep all the taxes on the within conveyed property paid promptly as they become due, and keep all buildings in good repair, and shall not commit waste on said premises, then these presents and the estate hereby conveyed shall cease and become void. Should the Parties of the First Part fail to pay any of the said taxes the beneficiary hereunder, or the representatives or assigns of said beneficiary, may pay any such taxes, and any such amounts, together with interest from the date of payment, shall be fully secured by this Deed of Trust, and in addition to this protection, the payment of said amounts shall not be a waiver of the right of said beneficiary, or the representatives or assigns of said beneficiary, to foreclose and enforce this Deed of Trust. If default be made in the payment of the above mentioned indebtedness, or any part thereof, or the interest thereon as it becomes due, or the taxes as they become due, or in the performance of any of the terms, or conditions of this Trust Deed, or of the Note secured hereby, then the whole sum of money hereby secured may, at the option of the holder of said indebtedness, be declared due and payable at once and this Trust Deed foreclosed and the Trustee hereunder or its successors, at the request of the beneficiary hereunder or the representatives or assigns of said beneficiary, after giving notice of the time and place of sale by publication of such at least three different times in some newspaper published in Knox County, Tennessee, the first of which
publications shall be at least twenty days previous to said sale, and on the day and at the front door of the County Courthouse in Knox County, Tennessee, being the place fixed, between the hours of 10:00 a.m. and 2:00 p.m. shall proceed to sell the property and premises above described or conveyed at public auction for cash and in bar of the right and equity of redemption, homestead, dower, and all other rights and exemptions of every kind, all of which are hereby waived and surrendered, and said Trustee shall apply the proceeds from such sale: (1) First, to the payment of all costs and expenses of such sale, including a fee of Ten Percent (10%) to the attorney or Trustee; said attorney or Trustee's fees and expenses shall become absolutely due and payable whenever foreclosure is commenced; (2) Second, to the payment of the indebtedness above mentioned and interest thereon, including any and all advances made under the terms thereof with interest thereon; (3) Third, the surplus, if any, to the parties legally entitled thereto.

Upon default as herein provided, said Trustee and owner of the indebtedness secured hereby may at its option, instead of foreclosing this Trust Deed, by advertisement and sale as hereinafore provided, institute appropriate proceedings of foreclosure in equity or at law and upon the institution of such proceedings shall upon application therefore without notice either be entitled to have a receiver appointed to take possession of the property hereby conveyed and said Trustee and owner shall be entitled to all of the rents issued and profits arising therefrom during dependency of any such foreclosure proceedings.

As further security for the payment of said note the Parties of the First Part agree to keep the building(s) now standing or which may be hereafter erected on the above property, insured against loss by fire and windstorm in some
insurance company or companies to the approval of the Party of the Second Part, in an amount not less than the outstanding balance of the indebtedness of the promissory note and assign to the Party of the Second Part all such policy or policies of insurance.

And the Parties of the First Part hereby covenant that they will deposit all policies of fire insurance covering the above property with the Party of the Second Part, its successors and assigns, to be held as long as this loan is in force, and a violation of this covenant gives the Party of the Second Part, its successors, and assigns the right to foreclose this loan.

And should the Parties of the First Part fail to effect such insurance in the amount named above, then the Party of the Second Part, its successors, and assigns, is hereby authorized to effect the same, and the amounts paid for premiums shall be come a lien on the above property, and bear interest from the date of payment, and their payment may be enforced in the manner herein provided for enforcing the payments of the aforesaid note.

Should the property conveyed by this instrument be involved in any insolvency, receivership, bankruptcy either voluntary or involuntary, or other proceedings affecting the possession of said property, it is further covenanted and agreed that the Trustee and owner of the indebtedness secured hereby shall be entitled to all of the rents, issues, and profits realized from such proceedings whether there be a default under this Trust Deed as above provided or not. The said Parties of the First Part further agree that in case of any sale hereunder they will at once surrender possession of the said property and will from that moment become and be the tenants at will of the purchaser, and removable by process as upon a forceable and unlawful detainer suit hereby agreeing to pay the said purchaser the reasonable rental value of said premises after such sale.
In case of the death, absence, inability, failure, or refusal of the Trustee named herein or any successor Trustee to act at any time when demand for such action is made by the owner of the indebtedness, hereby secured, then such owner is authorized to appoint a successor Trustee to execute this Trust Deed which appointment shall be in writing and recorded in the office of the Register of Deeds of Knox County, Tennessee, and such appointment shall vest the title to said premises in and clothe such successor Trustee with all the powers granted to the Trustee named herein and the exercise of such right of appointment shall not be an exhaustion thereof but may be exercised as often as the owner of said indebtedness may desire. The Party of the Second Part is hereby released from the obligations imposed by statute and it is agreed that said Party and beneficiary hereof in case of any sale of said property shall be at liberty to bid and buy as any third person might.

Qualifications and bond under the statute are hereby waived.

IN WITNESS WHEREOF the parties of the first part has hereunto set their hand on the day and year first above written.

DESCRIPTION OF IMPROVEMENTS

Improvements consist of a two-story brick building bearing a street address of 24 - 24 1/2 Market Square Mall. As originally constructed, the building was designed for single occupancy; however, since original construction date, the ground floor of the structure has been partitioned into two separate spaces. The foundation is solid brick. Exterior walls are brick. Roof is built-up tar and gravel on a wood roof support system with wood decking. The floor support system for the second floor is also wood joists with wood subflooring. The original interior walls were plastered; however, the present tenants have added a variety of wood and plastic paneling and some vinyl wall covering. Original ceilings are plaster; however, in both of the ground floor spaces, ceilings have been lowered by the use of accoustical panels in suspended grid system. Lighting is by strip fluorescent or by recessed fluorescent in the grid system. This also was tenant installed. Floor covering in the ground floor spaces are vinyl asbestos tile and some carpeting. At the time of inspection, the second floor was not occupied and was in rather poor condition. Heating is by gas fired units while cooling is by electric compressors. The chronological age of the building is unknown; however, remodeling and tenant improvements over the years have reduced the effective age to approximately 45 years.

The comparable sales are all properties fronting the Market Square Mall. Sale 3 is a four story building, while Sales 1 and 2 are three story structures. Sale 4, like subject, is a two story building and is, therefore, given the most consideration after adjustments.
INCOME APPROACH

The space at 24 Market Street Mall is leased to Moore's Deli for $400 per month with the lease expiring on December 31, 1983. The space at 24 1/2 Market Square Mall is leased to Nan Denton's at a rental of $400 per month with the lease expiring on June 30, 1983. Both of these spaces have had a considerable amount of tenant improvements which would increase the economic rent to $475 for No. 24 and $500 for No. 24 1/2. Based on economic rent, the annual gross revenue projection should be $11,700 annually. Since subject is owned by the University of Tennessee, it is exempt for payment of city and county property taxes. Analysis of similar buildings in the Market Square Mall area would indicate a tax assessment of approximately $10,000, resulting in an annual tax burden of $1,150. The annual insurance premium is $134 and property management for similar properties is 5% of gross income. Since the lessor is only responsible for exterior and roof maintenance, $150 seems to be a sufficient annual allocation for this expense charge.

The net income after deduction for expenses and vacancy and credit loss is capitalized at a rate of .133635. This capitalization factor is derived from the mortgage equity premise with estimates and projections assuming a loan ratio of 60% at an interest rate of 16% for a term of 15 years. Typical holding period would be 5 years and an equity yield of 10% would result in the capitalization factor as developed. Details of this approach follow.

Mortgage equity factor assumptions:
- Loan ratio 60%
- Interest rate 16%
- Term 15 years
- Holding period 5 yrs.
- Equity yield 10%
The market value as developed by the three approaches to this property indicates a value of $73,750. As outlined in the Income Approach, the space at No. 24 is rented for $400 per month for 19 months or until December 31, 1983. The projected economic rent for this space would be $475 per month or a margin of $75 per month over the 19 month period. Capitalization of this margin at the rate developed in the Income Approach would indicate a leasehold interest of $1,278 for this space.

The space at No. 24 1/2 is rented for $400 per month with 13 months remaining on the lease period. Economic rent for this space is estimated at $500 per month which would produce a margin of $100 per month for the 13 month period. Capitalization of this $100 per month excess rental for the 13 month period would produce a leasehold interest of $1,204 for the space at 24 1/2.

Total leasehold interest would amount to $2,482 for the entire building which is rounded to $2,500 as the value of the leasehold interest.

The total appraised value as shown on Page 1 is $73,750. By deducting the leasehold interest of $2,500, a remaining value of $71,250 is developed for the owner's interest. This would represent the probable selling price giving due consideration to the leases as they exist at the present time.

As requested, consideration was given to the value of the property projected to the termination date of the lease at 24 Market Street Mall. The valuation projection is as of December 31, 1983. There had been rather static real estate activity in the Central Business District until about 1979 at which time a rather dramatic increase in activity, development and transfer has occurred in the Downtown area. Property values increases are due primarily to the renewed interest generated by the World's Fair development between the Central Business District and the University of Tennessee. Since the Fair is currently in progress, it is anticipated that although development should continue, the rate of development will probably increase at a less rapid rate than has recently been experienced.

Although the World's Fair activity has generally spurred development and increased values, there is a negative factor in the market at the present time. This factor is the presence of abnormally high interest rates which would normally have restricted Downtown development had it not been for the World's Fair influence. It is difficult to project what interest rates will do in the next couple of years; however, it is probable that they will remain rather high.

Based on these conclusions, it appears that property values in the Central Business District will increase slightly, but at a rate something less than
what has been experienced in the immediate past. Due to the prospect of continuation of high interest rates, coupled with the somewhat subsiding rate of Downtown development, it appears that a reasonable projection would be an increase of approximately 1/2 percent per month over the projection period of 19 months. Based on this projection, it would appear that the indicated value of subject in December 1983 would be $80,750 as developed below.
