SUBJECT: Affirmative Action Plan (Draft)

Representatives from the Commission for Women have read the draft of the Affirmative Action Plan. Generally, we are quite pleased with the draft. Enclosed is the draft copy that I reviewed.

The primary suggestion we have is that the processes for filing a sexual harassment complaint be explained more thoroughly (see p. 22, no. 2). The complaint procedures for handicapped and veterans are delineated in detail on pp. 37-39. We would like to see the procedures for filing sexual harassment complaints specified as thoroughly as those for handicapped and veterans.

In addition, you may want to consult with students from Women's Coordinating Council. These students, in particular, wanted to participate in guidelines for sexual harassment complaints.

Thank you for the opportunity to review the plan.
