OPTIONAL CONCENTRATIONS OF STUDY
Second- and third-year students may choose elective courses in one or two areas of emphasis, Advocacy and Dispute Resolution or Business Transactions, or they can follow the traditional course of choosing from the array of elective courses available to build an academic program consistent with their personal and professional needs and interests.

Business Transactions Concentration
The curriculum allows students to concentrate their studies on the legal aspects of the conduct of public, private and non-profit enterprises, emphasizing the needs of business concerns, both large and small in scope. Three core courses (Introduction to Business Transactions, Contract Drafting Seminar, and Representing Enterprises) complement the additional requirements of Business Associations, Taxation of Entities, Land Finance Law and Commercial Law.

Concentration in Advocacy and Dispute Resolution
Building on the College's long-standing clinical programs, its strong basic curriculum in trial and appellate advocacy, and its successful moot court programs, this concentration emphasizes "litigation" or trial skills, as well as the skills required for effective negotiation, mediation, and includes other techniques for resolving disputes without trials. Central to the development of this curriculum is extensive use of advanced teaching technology available in the new College of Law building, ranging from conventional and interactive video to computer-assisted instruction.

ORDER OF THE COIF
National honor society, membership by faculty election from students in the first tenth of their class at graduation.

TENNESSEE LAW REVIEW
Membership by writing competition.

MOOT COURT PROGRAM
Eligibility to compete on an interscholastic moot court team requires that a student complete the Advanced Appellate Advocacy course in the fall of either the second or third year and participate in the Advocates' Prize, an intramural appellate competition, in the spring of the second year. These requirements do not apply to the National Moot Court Team or the National Trial Team, for which all second- and third-year students are encouraged to try out.

STUDENT ACTIVITIES

LIBRARY
The Law Library includes 233,586 catalogued volumes; 165,429 microfilm equivalent volumes including Briefs and Records of the United States Supreme Court from 1897 to date; official court reports, session laws and codes of all states and of the federal system; the National Reporter System; the reports of Canadian and English cases from the Yearbook to date; WESTLAW, LEXIS, NEXIS, WILSON DISC, and INFOTRAC legal data retrieval systems; full Internet access; and a depository for federal documents.

ALUMNI: Approximately 6,100 in 48 states, the District of Columbia, Australia, Canada, Germany, England, France, Israel, Japan, Puerto Rico, Virgin Islands, and the United Arab Emirates.
GRADE POINT AVERAGES AND CLASS RANKS
Students receive grades approximately two weeks after final exams are completed. Class ranks are not available until approximately one month after the fall and spring semesters end; ranks are not calculated after summer school. Fall rankings usually are available the first of February and spring rankings the first of July. Information regarding grade point average and class rank is available from Career Services only if the student has a signed release on file. Employers who seek this information are encouraged to require class rank figures or a transcript directly from individual candidates.

GRADING SYSTEM THROUGH SPRING 1996
All academic work in the College through spring semester 1996 has been graded on a 0.0 through 4.0 scale.

Minimum grade required to attain averages after Spring semester 1996

ON-CAMPUS INTERVIEWING
• Fall Semester 1996—September 13 through November 22
• Spring Semester 1997—February 3 through April 25

Reservations are accepted year-round by phone, FAX, or letter. On-campus dates, which are assigned on a first-come, first-served basis, are confirmed in writing. Reservations for preferred fall on-campus dates should be made by early spring. Resumes are forwarded to employers a week to 10 days prior to the on-campus date for prescreening.

RECRUITING FROM EMPLOYER LOCATION
Employers unable to visit campus may request Career Services personnel to collect and forward resumes by a certain date. Or, if the employer prefers, applicants will be instructed to submit resumes and other requested items directly. Employers may wish to contact students individually, or have the Career Services staff convey messages regarding arrangements for interviews at their location.

*Career Services interview rooms are available to employers for interviewing College of Law students and graduates throughout the year. Aconda Court is a transition location during construction. See map page 65.
LATERAL HIRING

Job Briefs, the alumni employment opportunities newsletter, reaches recent graduates and experienced alumni interested in making lateral moves. There is no charge for employer listings, which are accepted by phone, Fax, or mail and should provide a brief description of the position and the preferred application procedure. Listings are either "open," identifying the employer and providing information for applicant direct contact, or "blind," with the employer unidentified and applicants instructed to respond to a position number through Career Services. Each job vacancy is published in two newsletter editions unless the employer instructs otherwise. Listings received by the last day of the month are included in the edition mailed the next week.

SINGLE PROJECT ASSIGNMENTS

Career Services maintains a roster of students and recent graduates interested in receiving temporary clerking assignments. Referral of a student to a requesting legal employer, made on the basis of availability and familiarity with the subject, usually is made within 24 hours of a telephone request. Assignments range from a few hours to several weeks.
