MEMORANDUM

TO: Deans of Academic Colleges

FROM: John J. McDow, Dean of Admissions and Records

SUBJECT: Recruitment of Black Students

Attached is a copy of the black enrollment in your college for several years. Similar enrollment figures for the total University were supplied to you earlier.

One suggested part of the University black recruitment program is that of lending assistance to colleges in their respective programs. Mr. Robert Netherland, Assistant Director of Admissions, is devoting a substantial amount of his time to black recruitment. He coordinates his efforts with other units on the campus. I would like to bring to the attention of each Academic Dean that Mr. Netherland is available to give assistance and coordinate as may be appropriate with you on any special program on the recruitment of blacks. Mr. Netherland can be contacted at 320 Student Services Building or telephone extension 2184.
